1st Quarter 2024

Issue

Local non-profit agencies regularly hold fundraisers and events in support of area residents in need in the radio station's coverage area.

Program Solution

The stations continue to maintain an open-door policy and dedicate several hours to assist local charities who request airtime to promote their fundraisers which benefit the public welfare. In addition, with the transition of WDXE going to talk radio, non-profit organizations were offered the opportunity to come and record a 5-minute public service announcement to showcase their organizations.

Issue

The Giles County community seeks to fund nonprofit agencies who work to benefit those in need and work to make the county a better place to live.

Program Solution

The stations, specifically, WKS-R, held their annual Radio Auction in February. The 2024 Recipient of the WKS-R Community Radio Auction is the Bodenham Community Club.

Issue

Severe weather continued through the first quarter of 2024.

Program Solution

The stations offered coverage warning listeners and viewers of severe storms. This data was utilized during the second quarter which led to earlier warning times in the stations' coverage area. Stations continuously updated listeners during weather events with Road Closures, Utility Outages and Closings.
