LONGFORM NEWS/INFORMATION PROGRAMS

“America: Changed Forever” – Saturdays at 4 p.m.

April 9th - In a special edition of America: Changed Forever, ‘Trigger Pullers – Guns on our Streets’, host and CBS News Chief National Affairs and Justice Correspondent Jeff Pegues looks at how gun violence is plaguing the nation. Guests include Buffalo Police Commissioner Joseph Gramaglia and the former police chief of New Orleans, Ronal Serpas. Plus exclusive access to an FBI raid as police look to take guns off the streets.

April 23rd –A continued look at the serious and fatal increase of gun violence, this week, in another Special Edition of ‘America: Changed Forever – Trigger Pullers, Guns on our Streets.’ Host Jeff Pegues has an exclusive interview with Pittsburgh Chief of Police, Scott Schubert, following a house party in turned fatal when more than 100 shots were fired. And an examination of the other victims of deadly shootings, the more than 3,600 children who have lost a mother or father. Pegues interviews award-winning Washington Post enterprise reporter John Woodrow Cox.

May 21st - The Supermarket shooting in Buffalo, this week on ‘America: Changed Forever.’ Host Jeff Pegues speaks with Cornell William Brooks, former President of the NAACP and Oren Segal of the Anti-Defamation League. And a listen back to CBS News reporting from Buffalo over the past week.

May 28th - Nineteen children murdered at an Uvalde, Texas elementary school. This week on America: Changed Forever, a look at the nation’s latest mass shooting and the continued debate over guns. CBS News Justice and Homeland Security Correspondent Jeff Pegues speaks with Rep. Mike Thompson (D-CA), the Chair of the Gun Violence Task Force, Igor Volsky the Executive Director of Guns Down America and Gun Rights advocate John Lott, Founder of the Crime Prevention Research Center.

June 4th - The gun debate and the latest from Uvalde, Texas, this week on 'America: Changed Forever.' Host Jeff Pegues speaks with CBS News Correspondent Lilia Luciano who has been in Uvalde, spending time with families of those killed in last week's mass shooting. Other guests include the Washington Post’s Michael Scherer on Mitch McConnell's effort to block gun control and Dr. Peggy Carr, the Commissioner of the National Center for Education, on the mental health of school children.

June 11th - The gun debate continues. This week on 'America: Change Forever', host Jeff Pegues has an exclusive interview with NYPD Deputy Commissioner of Intelligence and Counter Terrorism John Miller and ATF Special Agent in Charge New York John DeVito about the number of guns flooding New York streets. And Rep. Jamie Raskin's predictions for what he says will be the explosive outcomes of the January 6 Commission's investigation.

June 18th - The January 6th hearings and an agreement on guns, this week on America Changed Forever. Host Jeff Pegues speaks with Carl Hulse, Chief Washington Correspondent for the New York Times Carl Hulse and Former Senate Chief of Staff John Easton. And a look at the 24/7 The People's Filibuster. Pegues has exclusive interviews with two people from Texas who traveled to DC to make their voices heard.

"The Takeout with Major Garrett" – Saturdays at 6 p.m.

April 2nd - This week on, 'The Takeout,' CBS News Chief Washington Correspondent Major Garrett has lunch with his CBS News colleagues Robert Costa and Scott MacFarlane at Chef Geoff's in DC's West End neighborhood. The Correspondents discuss the 7-hour gap in former President Trump's January 6th phone logs, the latest on the Capitol rioters' guilty pleas and the Congressional reaction to Ginni Thomas's 'Stop the Steal' texts.

April 16th - Marek Magierowski, Polish ambassador to the U.S., speaks in depth about the international law, politics and response surrounding the Russian aggression in Ukraine, as well as other ongoing world conflicts.

April 23rd - Former Democratic Senator Doug Jones joins CBS News Chief Washington Correspondent Major Garrett, this week on 'The Takeout.' The two discuss the pivotal role he played in the Ketanji Brown Jackson Supreme Court confirmation battle, his thoughts on the war in Ukraine and his successful prosecution of two Klansmen who were involved in the 1963 Birmingham, Alabama church bombing.

April 30th – No information provided on this episode

May 7th - This week on 'The Takeout,' CBS News Chief Washington Correspondent Major Garrett sits down with Ambassador Bill Taylor, the former chargé d'affaires at the US embassy in Kyiv, Ukraine. They discuss the second phase of the Russia-Ukraine war, Taylor's belief that the Ukrainians will ultimately win the war and the complexities involved in holding Russia accountable for war crimes.

May 14th - This week on 'The Takeout,' CBS News Chief Washington Correspondent Major Garrett is joined by Marc and Debra Tice, the parents of Austin Tice, an American journalist detained in Syria for nearly a decade. They discuss their belief that Tice is still alive in captivity, their recent Oval Office meeting with President Biden and the guilt of living a normal life while their son remains missing.

May 21st - Major Garrett has breakfast with Senator Kevin Cramer (R-ND) at Bistro Bis on Capitol Hill. They discuss Republicans' chances in the 2022 midterm elections, the war in Ukraine and whether former President Trump will run again in 2024.

May 28th - This week on 'The Takeout,' Major Garrett is joined by Dr. Anthony Fauci, the director of the National Institute of Allergy and Infectious Diseases and the Chief Medical Advisor to the President. They expect to discuss the fast-spreading omicron subvariant driving new COVID-19 cases across the country, whether it's time to worry about the spread of monkeypox and Major's own battle with COVID.

June 4th - CBS News Chief Washington Correspondent Major Garrett speaks with CBS News legal correspondent Jan Crawford. The two discuss the investigation into the Supreme Court's leaked Roe v. Wade draft, whether any of the conservative justices could end up with a change of heart on overturning Roe and a look back at the 1992 Planned Parenthood v. Casey ruling.

June 11th - Major Garrett grabs lunch with Congressman Jim Himes (D-CT) and Congressman Bryan Steil (R-WI) at Santa Rosa Taqueria on Capitol Hill. They discuss Americans' dissatisfaction with the state of the economy, whether the Federal Reserve is to blame for inflation and the Biden administration's immigration policies.

June 18th - This week on 'The Takeout,' Major Garrett has coffee with Congressman James Comer (R-KY), ranking member of the House Committee on Oversight and Reform, at The Dubliner Restaurant on Capitol Hill. They discuss the investigations Republicans are planning should they take back the House in 2023, including a deeper probe into Hunter Biden's finances and a reexamination of the COVID-19 lab-leak theory. Plus: is it in the GOP's best interest to try and impeach President Biden next year?

June 25th - This week on 'The Takeout,' Major Garrett speaks with Mike Pompeo, the 70th US. secretary of state and former CIA director. They discuss a potential 2024 presidential run, Texas Republicans' embrace of 'the Big Lie' at their annual party convention and whether former President Trump should be held responsible for the January 6 insurrection at the US Capitol.

- The roots of addiction on college campuses; not just binge drinking or getting high, but all too often doctor supervised pain management for sports injuries or dental surgery
- The VA's role in preventing overdose deaths among veterans

“60 Minutes” – Sundays at 6 p.m.

April 3rd - Scott Pelley reports on the targeting of Ukraine's healthcare system, from hospitals to ambulances, according to the WHO. Why do so many Russian oligarch's live in the Uk.K.? Bill Whitaker has that story. Anderson Cooper profiles Laurie Anderson, taking you inside the artist's exhibition on display at the Smithsonian Hirshhorn Museum.

April 10th - Ukrainian President Volodymyr Zelenskyy tells Scott Pelley “human values” are on the line and the war with Russia is entering a “new wave.” Sharyn Alfonsi reports from El Salvador, where one tiny town has become a great experiment for cryptocurrency.

April 17th - On this Easter Sunday edition of "60 Minutes," Russia has proven it is prepared, and bold enough, to launch a large-scale cyberattack. How is the U.S. government preparing? Bill Whitaker investigates. Leslie Stahl on the road ahead for Volkswagen as it battles Toyota for title of world's largest automaker. Anderson Cooper digs deep into the future of flying vehicles.

April 24th - On this edition of "60 Minutes," Scott Pelley sits down with the Director of the FBI Christopher Wray in a rare interview on the rise of violent crime in America, lessons learned from the January 6th insurrection and the biggest threat to the U.S. Sharyn Alfonsi on the treasure trove of documents SEAL Team Six uncovered the night they got Osama Bin Laden. Anderson Cooper chats with New York City mayor Eric Adams' upbringing and his biggest critics.

May 1st - Scott Pelley reports on the growing hunger crisis and turmoil inside Ukraine as the Russian assault continues. Jon Wertheim on the Eurovision excitement sweeping Iceland. And Sharyn Alfonsi meets the mind behind the fictional conspiracy theory "Birds Aren't Real."

May 8th - On this Mother's Day edition of "60 Minutes" Wisconsin's rate of adolescent self-harm and attempted suicide increased by nearly 200% since 2019. Sharyn Alfonsi speaks with families who've been impacted, and with doctors and therapists trying to make child mental health care more accessible. In his first interview before his book about his time in the Trump administration is published, former Secretary of Defense Mark Esper speaks with Norah O'Donnell. They discuss previously unreported events from inside the Trump White House. In Russia, ballet has always been entwined with politics. When Russia invaded Ukraine, Russian artists opposed to the war were left with a choice: stay and be silent or voice their dissent and leave. Jon Wertheim speaks with the dancers making difficult decisions.

May 15th - On this episode of "60 Minutes," Leslie Stahl talks with the Miller family, who purchased a large house for family celebrations. Little did they know that property had a secret. Scott Pelley on the data mining operation in Europe trying to uncover and detail the war crimes in Ukraine committed by Russian forces.

May 22nd - On this edition of "60 Minutes," Bill Whitaker investigates the life-saving drugs that are in short supply in hospitals across the U.S. Scott Pelley goes to a school in the southside of Chicago to see an act of kindness so profound it can change the lives of those students forever. And Norah O'Donnell has a front row seat to opera's leading man.

May 29th - Following the massacre at Robb Elementary School in Uvalde, Texas, Scott Pelley revisits a 2018 report on AR-15-style weapons with rounds causing such devastating and often lethal wounds that first responders and emergency rooms are changing their protocols and preparing for the worst. Bill Whitaker reports on the longest-running cattle drive in America, begun 125 years ago and carried on today by the descendants of the original drivers. Anderson Cooper takes a look at the gardens of the Roman emperor Caligula that have been discovered and excavated, and some of the most remarkable finds are now on display for the first time.

June 5th - On this edition of "60 Minutes," Jon Wertheim talks with two men trying to end the longest running oil spill in U.S. history, spanning almost two decades. Anderson Cooper investigates the brutal past of Canada's "residential school system." Scott Pelley reports on the science behind what makes people heroic.

June 12th - On this edition of "60 Minutes," Leslie Stahl digs deep into foreign governments detaining American citizens abroad. Jon Wertheim investigates the decline of the newspaper industry. Bill Whitaker sits down with the legendary Rita Moreno.

June 19th - Why do so many Russian oligarchs live in the UK? Bill Whitaker has that story. Sharyn Alfonsi investigates how one country went from democracy to dictatorship in one generation. Lesley Stahl sits down with comedian Trevor Noah about what he thinks is the secret to his success.

June 26th - On this edition of "60 Minutes," Scott Pelley investigates U.S. government officials reporting mysterious brain injuries. Bill Whitaker looks-into wildfires raging through California.

"Weekend Roundup" – Saturdays at 5 p.m.

April 9th - On the "CBS News Weekend Roundup," host Linda Kenyon looks at the war in Ukraine, from Russia's brutality against civilians to US and UN sanctions. We have a conversation with Nikole Killion on the confirmation of the first female black Supreme Court Justice Ketanji Brown Jackson. We take a look at the extension of the student loan repayment and how schools are dealing with the cost of fuel – finally we hit the green at The Masters. Can Tiger Woods roar back and win another Green Jacket?

April 16th - On the "CBS News Weekend Roundup," host Allison Keyes gets the latest on President Biden's moves to fight inflation and his latest comments on the Russian war in Ukraine from CBS News Senior White House and Political Correspondent Ed O'Keefe. We will have an update on the CDC's position on masks mandates for travelers amid a rise on Covid-19 cases. In the Kaleidoscope, Allison speaks with National Urban League President and CEO Marc Morial about the civil rights organization's latest "State of Black America" report, and a warning about an assault on voting rights.

April 23rd - On the "CBS News Weekend Roundup," host Allison Keyes gets the latest from CBS News White House Correspondent Steven Portnoy on President Biden's latest efforts to help Ukraine fight the Russian invasion. We'll hear from CBS News Medical Contributor Dr. David Agus about what he thinks of the end of that Covid travel mask mandate. In the Kaleidoscope, Allison speaks with activist Marleine Bastien at the Family Action Network Movement about what she calls a double standard in the way the U-S treats Haitian and Ukrainian refugees.

April 30th - On the "CBS News Weekend Roundup," Covid kids, Ukraine, and Retirees. Host Allison Keyes gets the latest from CBS News Medical Contributor Dr. David Agus about Moderna's effort to get authorization for Covid-19 vaccines for kids under the age of five. We'll hear about President Biden's latest request for aid for Ukraine, and about how retirees are handling skyrocketing inflation. In the Kaleidoscope, Allison speaks with Kanika Harris at the non-profit Black Women's Health Imperative about the pandemic and Black maternal mortality.

May 14th - In this week's Weekend Roundup, CBS News Weekend Roundup", Correspondent Carter Evans covers how Americans are dealing with inflation. In this week's Kaleidoscope, we take a look at the rising crime rate against Asians. Correspondent Nikole Killion reports from the Supreme Court on abortion rights. And CBS News Radio executive editor Steve Dorsey talks to the "news kid on the block" our Nick Reporter who got a seat in the White House briefing room.

May 21st - On this week's "Weekend Roundup" with Reporter Stacey Lyn, some help is on the way for parents searching for baby formula. CBS's Bradley Blackburn has details of what the Biden Administration is proposing. Plus, American Academy of Pediatrics Spokesperson and Pediatrician Dr. Alanna Levine provides some clarity for questions every is asking. Voters in five states hit the polls, but all eyes were on two states in particular. CBS'S Robert Costa has the latest from Yardley, Pennsylvania. And in this week's Kaleidoscope, correspondent Allison Keyes talks with CBS News Chief National Affairs and Justice Correspondent Jeff Pegues about the mass shooting at a grocery store in Buffalo, New York.

May 28th – No information provided for this episode

June 4th - On the "CBS News Weekend Roundup," host Allison Keyes gets the latest on the mass shootings that have roiled the country. CBS's Lilia Luciano with the story of a mother who ran inside Robb Elementary School during the mass shooting that killed 21 people. We'll also hear from CBS's Scott MacFarlane about what President Biden and lawmakers have to say about the devastating attacks. CBS's Vicki Barker updates us from London on the celebrations surrounding Queen Elizabeth's Platinum Jubilee. In the Kaleidoscope, Allison speaks with Kamilah Moore, chair of the California Reparations Task Force, about its interim report finding that African Americans continue to suffer harm from the effects of slavery in the present day.

June 11th - On the "CBS News Weekend Roundup," host Allison Keyes gets a breakdown from CBS's Nikole Killion about the first prime time hearing over the deadly January 6th riot at the U-S Capitol. We'll also hear about the battle over gun control on Capitol Hill and the heartbreaking testimony from victims and survivors of the mass shootings in Buffalo and Uvalde, Texas. In the Kaleidoscope, Casey Pick at the Trevor Project discusses a plethora of laws she says are targeting the LGBTQ community's young people.

June 18th - On this week's "Weekend Roundup", host Stacy Lyn gets the details from CBS News business analyst Jill Schlesinger on the Fed raising interest rates and what it means for consumers. Plus, we're hearing from parents as news that a COVID-19 vaccine for kids under five may be available as early as next week. In the Kaleidoscope this week, CBS's Allison Keyes spoke with entertainer and minister Tye Tribbett, who is headlining the Juneteenth Unity Fest in Brooklyn. And, another public hearing for the committee investigating the January 6th attack on the Capitol. Skylar Henry with details.

June 25th - On the "CBS News Weekend Roundup," host Allison Keyes gets the latest on the landmark Supreme Court ruling overturning its Roe v Wade decision legalizing abortion, and the one striking down New York state's limits on carrying concealed handguns in public. We'll also hear about this week's January 6th Select Committee hearings on the deadly insurrection at the US Capitol and the role of former President Trump. In the Kaleidoscope, Allison speaks with women's history and sports scholar Bonnie Morris about the 50th anniversary of the federal civil rights law, Title IX.

Face the Nation – Sundays at 6:30 a.m. and 7 p.m.

April 3rd - This week on "Face the Nation," in an exclusive interview Ukrainian President Volodymyr Zelenskyy says that Russian actions against Ukraine constitute genocide, and that Ukraine is being "destroyed and exterminated" by Russian forces. Fiona Hill, the former senior director for European and Russian affairs on the National Security Council during the Trump administration, discusses Russia's actions in Ukraine and how Vladimir Putin could tighten his grip on power. Democratic Rep. Jamie Raskin of New York says the committee has "no comprehensive, fine-grained portrait of what was going on" during a seven-hour gap in White House phone logs on January 6. H.R. McMaster, former national security adviser in the Trump administration and a CBS News contributor, says Russia is redistributing its forces inside Ukraine because of its failure to quickly achieve its objectives. New York Mayor Eric Adams says the city needs more help from the federal government to keep guns off the streets.

April 10th - This week on "Face the Nation," with Russian forces moving forward with a brutal assault on Eastern Ukraine, we talk to White House national security adviser Jake Sullivan about what more the U.S. can do to help. Then, a conversation with former FDA Commissioner Scott Gottlieb about a possible spring COVID surge. Joining the program is Cleveland Fed President Loretta Mester to discuss rising costs in the U.S. And finally Former Homeland Security Secretary Jeh Johnson on the crisis at the southern border.

April 17th - This holiday week on "Face the Nation with Margaret Brennan," we talk to Ukrainian Foreign Minister Dmytro Kuleba after Russia responded to the loss of a key battleship with a powerful barrage of missiles. A conversation with Senator Chris Coons (D-DE), about his fight to get more global COVID aid included in a relief bill stalled in Congress. Plus, a look at how inflation is impacting businesses and families across the U.S.

April 24th - This week on “Face the Nation with Margaret Brennan,” we’ll have the latest on U.S. Secretary of State Antony Blinken and Defense Secretary Lloyd Austin’s visit to war-torn Ukraine and a Sunday exclusive interview with Ukrainian Prime Minister Denys Shmyhal. Plus, we check in with former FDA Commissioner Dr. Scott Gottlieb on the long-awaited COVID vaccine for America’s youngest. Also joining the program is European Central Bank President Christine Lagarde, to discuss the impact of the war in Ukraine on inflation and the economy globally.

May 1st - This week on “Face the Nation with Margaret Brennan,” we’ll have the latest on Ukraine with Samantha Power, the head of the U.S. Agency for International Development, and Virginia Democratic Sen. Tim Kaine. Then we’ll hear from Illinois Rep. Adam Kinzinger; Dr. Paul Burton, the chief medical officer at Moderna; Plus Dr. Deborah Birx, the COVID-19 response coordinator during the Trump administration.

May 8th - This week's Mother's Day edition of “Face the Nation with Margaret Brennan,” we discuss the turmoil around the nation ahead of a possible Supreme Court decision to overturn *Roe v. Wade*, with House Speaker Nancy Pelosi and South Carolina Republican Rep. Nancy Mace. Plus, a look at the war in Ukraine on the eve of Russia’s “Victory Day.”

May 15th - This week's edition of “Face the Nation with Margaret Brennan,” features breaking news from Buffalo, NY as a man is in custody for a mass shooting at a supermarket that killed 10 and injured 3. Investigators believe the shooting was racially motivated. U.S. Transportation Secretary Pete Buttigieg discusses the baby formula shortage and the plans to bring it to an end. Former FDA commissioner Dr. Scott Gottlieb talks about the baby formula shortage and possible Covid surges in the summer. Lloyd Blankfein, the former CEO and current senior chairman of Goldman Sachs, says tamping down inflation will require "some pain" as the Federal Reserve raises interest rates.

May 22nd - This week on “Face the Nation with Margaret Brennan,” a new CBS News poll finds a high level of uneasiness with the economy. Plus, we hear from Florida Sen. Rick Scott, New York Rep. Hakeem Jeffries and former defense Secretary Robert Gates, who offers a little bit of optimism.

May 29th - This week on “Face the Nation with Margaret Brennan,” another school shooting rocks the country. She sits down with Senator Chris Murphy (D-CT) and Governor Asa Hutchinson (R-AR) on the steps politicians can take to avoid another tragedy.

June 5th - This week on “Face the Nation with Margaret Brennan,” we try to understand what the country wants to see happen when it comes to new gun control laws in the wake of the Uvalde and Buffalo shootings. Plus, a look at the state of the economy and a preview of the Jan. 6 hearings.

June 12th - This week on “Face the Nation with guest host John Dickerson,” we examine the first hearing from the Jan. 6 committee with Rep. Adam Kinzinger (R-IL.) and a panel of correspondents. Plus, a conversation on gun violence in America, one day after thousands rallied around the country to demand tougher regulations.

June 19th - This week on “Face the Nation with Margaret Brennan,” we discuss the Jan. 6 hearings with Rep. Zoe Lofgren, a Democrat from California, go over the recently approved COVID-19 vaccine for kids with former FDA Commissioner Dr. Scott Gottlieb and take a look at America’s inflation problem.

June 26th - This week on “Face the Nation with Margaret Brennan,” we discuss what would a federal ban on abortion look like? Marc Short, former chief of staff to former Vice President Mike Pence, tells us he believes the former VP “has always accepted exceptions for rape and incest.” Jan. 6 committee member Rep. Pete Aguilar (D-CA) discusses why the panel plans to continue holding public hearings this summer. World Bank Group President David Malpass says if he were Fed Chair Jerome Powell, he would focus less on interest rates and more on regulatory policy to “let the banks lend more.”
