LONGFORM NEWS/INFORMATION PROGRAMS

“America: Changed Forever” – Saturdays at 4 p.m.

November 26th – Even as police departments face serious officer shortages, a new survey finds that police training is in "an immediate crisis." Chuck Wexler, the Executive Director of the Police Executive Research Forum, which conducted the research, explains; How is the recession affecting holiday shopping and the retail industry? The New York Times' Jordyn Holman shares her insights; and The Wall Street Journal's Travel Columnist Sarah Gilbertson tells you which airports to avoid this holiday season.

December 3rd - Jeff Pegues speaks with NY Times Justice Correspondent Glenn Thrush on the investigation of former president Trump's stash of classified documents at Mar-a-Lago. We also hear from ER Doctor Scott Kobner who talks about the perfect storm that is sinking levels of care in Emergency Rooms across the country. LA Times Reporter Hayley Smith discusses the 4th year of drought threatening California and how recycling water is the only way forward to replenish water supplies in California.

December 10th - Correspondent Jeff Pegues speaks with: Former federal prosecutor Harry Litman, who breaks down former President Trump's legal challenges, from the guilty verdict in New York to the Special Counsel's substantial subpoena list; KRLD Reporter Alan Scaia shares details of the murder of 7-year old Athena Strand allegedly by a FedEx driver; and HuffPost Congressional Reporter Arthur Delaney analyzes Rep. Gibb's challenge of Rep. McCarthy's House Leadership.

“The Takeout with Major Garrett” – Saturdays at 6 p.m.

November 12th - Major speaks with Governor Roy Cooper (D-NC) via Zoom as the results of 2022 midterm elections continue to trickle in. They expect to discuss Democratic candidate Cheri Beasley's loss to GOP Rep. Ted Budd in the North Carolina Senate race and the near-likelihood that Cooper will maintain his veto power on issues like abortion in the North Carolina General Assembly.

November 19th - Major speaks with Democratic pollster **John Anzalone** via Zoom. They expect to discuss the lack of a red wave in the 2022 midterm elections, Anzalone's personal relationship with President Biden and Donald Trump's 2024 presidential campaign.

December 3rd - Major has lunch with Jocelyn Benson, Michigan's Democratic secretary of state, and Brad Raffensperger, Georgia's Republican secretary of state, at the Biltmore Hotel in Miami, FL. They discuss the upcoming Georgia Senate runoff election, the battle against election denialism and the death threats both officials faced in the wake of the 2020 presidential election.

December 10th – Major has coffee with John Sullivan, who served as the U.S. ambassador to Russia from 2020-22, at the Yours Truly hotel in D.C.'s West End neighborhood. Sullivan calls the Russia-Ukraine war "the story of the decade" and believes there's ample evidence of "innumerable" war crimes committed by the Russians.

“60 Minutes” – Sundays at 6 p.m.

October 2nd - Ukrainian First Lady Olena Zelenska sits down with Scott Pelley and describes what her country and people have been through in the months since Russia invaded. Bill Whitaker talks with a woman whose world went up in flames when the Caldor Fire ripped through her home. Jon Wertheim runs down the field with Siya Kolisi, the first black player ever to be named captain of the South African National Rugby team.

October 9th - how close is China on the verge of war with Taiwan? Lesley Stahl visits the island to find out. Bill Whitaker investigates the aftermath of Hurricane Ian. Anderson Cooper sits down with Bart Barber in this interview as Southern Baptist Convention's newly-elected president.

October 16th – Scott Pelley returns to the Ukrainian town of Bucha to meet with the families of the victims found in the mass grave behind St. Andrew's Orthodox Church. With a combined threat of climate change and the ongoing war in Ukraine triggering a possible global energy crisis, clean and renewable energy is having a moment. 60 MINUTES travels to the old fishing town of Grimsby, England, where the world's largest offshore wind farm now powers millions of homes a day in the U.K. Correspondent Sharyn Alfonsi looks at how the wind turbines work, the growing industry of offshore wind and how the once distressed town of Grimsby has evolved into the new offshore clean energy powerhouse of Europe.

October 23rd - Just days after the 2020 presidential election, lawyers supporting then-President Trump began spreading unsubstantiated claims that Dominion Voting Systems rigged the election. Dominion CEO John Poulos speaks with Anderson Cooper. Bill Whitaker looks at a non-profit called American Prairie that wants a reserve on the American grasslands where bison could roam once again, and that the public can enjoy. However, some local ranchers aren't convinced the organization is helping. The "Barefoot Contessa," Ina Garten, sits down with Sharyn Alfonsi about how the pandemic inspired her latest cookbook, and offers advice to home cooks.

October 30th - no state has been more deeply divided by former President Trump's election-denying claims than Arizona. Scott Pelley travels to the state and speaks with top Republican state officials about what the party's divide could mean for 2022 and beyond. Since 2009, American scientists have discovered more than 900 new viruses. In the wake of the COVID-19 pandemic, the U.S. is sending scientists to disease hotspots. Bill Whitaker joins them in Uganda. It's difficult to achieve literary stardom in the modern era, but David Sedaris has managed to do it. Sedaris speaks with Jon Wertheim about his process and, tomorrow.

"Weekend Roundup" – Saturdays at 5 p.m.

December 3rd – No show information given

December 10th - host Allison Keyes gets the latest from CBS News Chief Medical Correspondent Dr. Jon LaPook on the rising cases of Covid, flu and RSV and the toll on hospitals around the nation. WNBA Star Brittney Griner is freed from Russia via a controversial prison swap. CBS News White House Correspondent Steven Portnoy with details. The Biden Administration expands a program allowing some Haitian immigrants to live and work in the nation due to the humanitarian crises in their homeland. Allison speaks with Guerline Jozef at the Haitian Bridge Alliance.

Face the Nation – Sundays at 6:30 a.m. and 7 p.m.

October 2nd - Sen. Rick Scott of Florida, FEMA administrator Deanne Criswell and Fort Myers, Florida, Mayor Kevin Anderson talk about Hurricane Ian's impact. Plus, Margaret Brennan pays tribute to legendary CBS News White House correspondent Bill Plante.

October 9th - Major Garrett dives into the Arizona governor's race, one of the most closely watched races in the nation. Plus, new CBS News polls in Michigan, Wisconsin and Arizona.

October 16th - our new CBS news Battleground tracker poll shows republicans are still favored to capture the House, with an estimated 224 seat majority. CBS News director of elections and surveys Anthony Salvanto explains.

October 23rd - with just 15 days to go until Election Day, both sides are making their closing arguments about why they deserve your vote. We'll talk to House Speaker Nancy Pelosi, plus the administration's senior energy security adviser Amos Hochstein about those stubbornly high gas prices.

October 30th - we now have just 8 days to go until Election Day, and the country is feeling deeply unsettled. Our CBS News Battleground Tracker poll shows that a stunning 79% or nearly 8 in 10 likely voters, say that the country is “out of control.”

November 6th - the midterm elections are just hours away, and candidates are spending the weekend barnstorming their states with some of the biggest names in politics. Democrats argue democracy is on the line, while Republicans say the party in power is wrecking the economy.

November 13th - five days after the 2022 election, control of the House remains undecided, while Democrats keep their Senate majority. How will this midterm muddle change life for Americans?

November 20th - change is coming to Washington, but as both parties try to move past the chaos of the 2020 and 2022 campaigns, a certain former president is not on board with that. We'll talk to former Deputy Attorney General Rod Rosenstein, former Vice President Mike Pence, Rep. Zoe Lofgren and more.

November 27th - the U.S. faces some tough questions on public health — and public safety. Americans are gathering for the holidays, some for the first time in years, but health officials are warning a pandemic-weary populace of the dangers posed by a triple threat of respiratory viruses. We'll talk to Dr. Anthony Fauci about the risk. Plus, Rep. James Clyburn and Colorado Gov. Jared Polis.

December 4th - the race to get as much done before the holidays as possible is on here in the nation's capital. International diplomacy has stepped up on several fronts. With continuing protests in Iran, and new challenges when it comes to China, we'll talk to Secretary of State Antony Blinken.

December 11th - President Biden reaches a deal with Vladimir Putin to free an American, but where does this high-stakes diplomacy lead? We'll speak to Democratic Rep. Adam Schiff of California and the family of another American held in Iran. Plus, JPMorgan Chase CEO Jamie Dimon, Fiona Hill and Chris Krebs join us.

December 18th - a Texas border city has declared a state of emergency as officials brace for the end of a pandemic-era rule allowing the expulsion of migrants. We'll talk to two members of Congress from Texas. Plus, Sen. Joe Manchin and Dr. Scott Gottlieb.

December 25th - Rep. Jamie Raskin shares lessons learned from the House Jan. 6 committee's investigation. Plus, our annual correspondents roundtable on the news and politics making headlines, and predictions for 2023.
