

June 7, 2016

Brandenburg Telephone Co. provides a local channel for Hardin Co. TV (HCEC – TV). HCEC-TV shows school programs, fiscal court and city hall meetings, local high school sports, and various other school programs. HCEC-TV is funded by the Hardin Co. School Board and uses high school students to help run the channel. All the programs on HCEC-TV are on a delayed basis. This is channel 2 on our system.

Brandenburg Telephone Co. also has an internal community channel that provides lists of community events, obituaries in the community, and also provides some limited live high school sports. These high school sports matches are taped by HCEC-TV. This is channel 1 on our system.
