

Fun Roads

your adventure starts here

E/I Programming

January 1, 2023 to March 31, 2023

- Program Title: DISTANT ROADS**
Broadcast Days: Tuesday, Thursday, Saturday
Broadcast Times: 11:00 AM & 07:00 PM (ET)
Ages: 13-16
Episode Total Run Time: 30 minutes
Total Broadcasts: 120

DESCRIPTION: Distant Roads is an educational/informational (E/I) TV series which embraces the spirit of adventure and discovery. Viewers share in the personal experiences of the show's hosts as they travel through the featured regions. The hosts reveal in depth the cultural and historical perspectives of the region while pointing out the geography, geology, and other educational details of the various destinations. The program's health segments encourage kids to exercise and stay healthy as they travel to educational and entertainment venues. This empowers kids to pursue their dreams to completion through the spirit of adventure, discovery, and freedom that our society encourages. Each segment of Distant Roads delivers an educational and informational message that supports current social, intellectual, and emotional aspects of children ages 13 and up. Attributes and advice emphasized by the hosts and their guests instill a grounded balance of priorities, commitment, and perseverance kids can apply to their lives.

- Program Title: TRAVEL THRU HISTORY**
Broadcast Days: Monday to Sunday
Broadcast Times: 8:30 AM & 4:30 PM (ET)
Ages: 13-16
Episode Total Run Time: 30 minutes
Total Broadcasts: 255

DESCRIPTION: Travel Thru History is an educational/informational (E/I) TV series designed to spark interest and enthusiasm in teens to learn about our country's rich and fascinating history by traveling to diverse locales across the US. Shot and edited in the style of other popular, educational programming like Modern Marvels, Travel Thru History's compelling backstories, and upbeat young narrator, entices young adults to learn more about American history. Episodes focus on American cities that have more than natural beauty and theme parks to offer, The series uses beautiful photography and brief well-edited interviews with curators and other on-site authorities, as well as graphics, archival photography, and film footage, to set a pace that keeps a busy young mind engaged.

- Program Title: INTO THE OUTDOORS**
Broadcast Days: Monday, Wednesday, Friday, Sunday
Broadcast Times: 11:00 AM & 07:00 PM (ET)
Ages: 13-16
Episode Total Run Time: 30 minutes
Total Broadcasts: 135

DESCRIPTION: Into the Outdoors is a 17-time Emmy Award Winning educational/informational (E/I) TV series that teaches children 13 and up about science, nature, and the outdoors. ITO gets kids outside to explore, discover & understand the natural world around them. Part science lesson and part travelogue, ITO creates pathways to environmental awareness and outdoor lifestyles that empower our next generation to become sustainable stewards of Planet Earth while empowering today's youth to think critically about our planet. Every week ITO uncovers the stories behind sensible solutions to creating a better planet while the kid hosts have some fun along the way whether they're participating in sports, angling, or exploring nature, science or agriculture. ITO also arms educators everywhere with educational video resources alongside lesson plans in various science categories through a comprehensive online portal.

- Program Title: AMERICA'S HEARTLAND**
Broadcast Days: Saturday and Sunday
Broadcast Times: 11:30 AM (ET)
Ages: 13-16
Episode Total Run Time: 30 minutes
Total Broadcasts: 45

DESCRIPTION: America's Heartland is a weekly half-hour series featuring everyday Americans and their families, telling fascinating stories across America's heartland. From learning how to make maple syrup to riding with teenage ranchers, this series explores the various ways of life in the current United States, while showcasing the diversity of how people live and work. Each episode visits several locations and introduces teen viewers to ordinary Americans who sometimes have extraordinary occupations. The series also highlights the history of different regions of the country while providing important facts about each place visited.
