WMIA
Quarterly Issues/Programs List

WMIA provides its listeners with programming and public service announcements that address issues of concern to our local community. Among the issues determined to be of most concern to the community during the preceding calendar quarter were:

- **Budgeting, Filing Taxes:** Discuss tips on how to save money, stay within budget and help feel safe when filing your taxes.
- **Childcare, Heart Health:** Discuss affordable childcare services and the risk factors that can contribute to heart problems.
- **Finance, Healthy Eating:** Discuss insight into finances and market volatility and also healthy eating habits for our children
- **Health and Finances:** Discuss staying healthy through the year and tips on paying debts to help maintain good credit.
- **Investing/Savings, Public Hea:** Discuss options to manage personal savings and rules for safe food handling to avoid food poisoning
- **Juvenile Safety, Childhood de:** Discuss keeping children safe from sextortion and relational learning for young people.
- **MENTAL HEALTH:** Discuss quarter-life crisis affecting women in their 20s and the emotional well-being of children.
- **Public Health, Mental Health:** Discuss tips on keeping our mental health at the forefront in 2024 and blood donation shortages
- **Racial Inequality, Mental Hea:** Discuss racial and ethnic inequality and the impact social media has on mental health.
- **Social Security, the Environm:** Discuss Supplemental Security Income, being environmentally conscious, the impact of immigration.
- **Taxes, Technology:** Discuss advice on what we can do to process taxes successfully and how AI is used in advertising.
- **Technology, Personal Finances:** Discuss how AI will improve heart disease detection and best options to manage your savings.

**Section I
LOCAL PROGRAMMING**
