| Health Issues        | 7News                | 3/14/17 | 10PM | :46      | ANNE TRUJILLO REPORTS THIS IS AN EYE-OPENER FOR ALL WOMEN. WHEN WE RETIRE -- WE ARE AT A GREATER RISK OF FINANCIAL COLLAPSE THAN MEN. SOME OF THE BIGGEST FACTORS? WE PAY MORE FOR MEDICAL CARE AND WE EARN LOWER WAGES. AND HERE ARE THE STATS: RETIRED WOMEN PAY ABOUT 600 MORE DOLLARS A YEAR THAN MEN FOR OUT OF POCKET HEALTH COSTS. WE ALSO EARN 79 CENTS TO THE DOLLAR COMPARED TO MEN. ANOTHER REASON -- SOME WOMEN RELY ON THEIR HUSBANDS TO HANDLE THEIR FINANCIAL FUTURE. It makes me feel uncomfortable because if anything happened I'm not sure where I would stand. I don't know what I'm entitled to I don't know what share of my husband's pension I would be entitled to I have no idea about the figures SO WHAT CAN YOU DO? GET INVOLVED. AND CONSIDER GETTING A FINANCIAL ADVISER WHO CAN HELP YOU UNDERSTAND YOUR FINANCES, AND HELP YOU SET GOALS. |
