

There follows a listing of some of the significant issues responded to by WRAM, along with the most significant programming treatment of those issues for the period of: May 1, 2015 to May 31, 2015. The listing is by no means exhaustive. The order in which the issues appear does not reflect any priority or significance.

Description of Issue	Program/Segment	Date	Time	Duration	Narration of Type and Description of Program/Segment
Health	Morning Show Interview	4-May	8:20 AM	10 MINUTES	OSF Holy Family Medical Center was recently distinguished as the 3 rd cleanest hospital in the United States. Vice President of Support Services, Dana Hall, they are very proud for the distinction and they work very hard to continue to approve. Hall said the key to accomplishments like these is attention detail and passion on the part of employees.
City Government	Morning Show Interview	6-May	8:20 AM	10 MINUTES	With being named as quarterfinalists in the America's Best Community competition, the Monmouth and Roseville coop is in the process of interviewing companies that can help them put together a strategic plan. Monmouth City Administrator, Lowell Crow said the competition is sponsored by Frontier Communications, The Weather Channel and CoBank. The Monmouth City Council approved their budget during a special meeting last month. Crow says they are going to use a robot camera to televise sewers in the downtown area to identify problem areas.
Education	Morning Show Interview	11-May	8:20 AM	10 MINUTES	The West Central School Board of Education has been compiling application packages for a new district Superintendent. Tonight the board will meet and receive the recommended slate of candidates to interview. Outgoing Superintendent, Ralph Grimm says that selecting the new candidate by the end of this month will allow for a good transition time period between himself and the new superintendent.
Health	Morning Show Interview	13-May	8:20 AM	10 MINUTES	The Warren County Health Department took over the WIC and Family Case Management program last July. The Department's Sabrina Cook tells more about the program says participants in the program can get vouchers for fresh fruit, formula, milk and more and that income limits are placed in the program, but are higher than what many people think.
Agriculture	Morning Show Interview	14-May	8:20 AM	10 MINUTES	The University of Illinois Extension Research Farm has set the date for their annual field day. Commercial Agriculture Educator, Angie Peltier says in recent years, the field day has brought in record numbers of people and they hope to top those numbers again this year. Peltier says crop recording

					districts in Western Illinois are showing good things in terms of farmers getting their fields planted. Peltier said that the wind and cooler temperatures helped dry out the soil quickly and allow for farmers to get back into the fields
Education	Morning Show Interview	19-May	8:20 AM	10 MINUTES	The Monmouth-Roseville School District Board of Education heard from Superintendent, Ed Fletcher at their board meeting this week about a movement that seems to be picking up steam to have children and parents refuse to take part in PARCC testing. Fletcher said he shared with the board that he sees some benefit in standardized testing in that it helps teachers and administrators focus their curriculum but that many people are strongly opposed to this type of testing. Fletcher said he also reported that 36 children and parents attended the District meeting on the SWAP program that gives students a chance to work for the district over the summer to earn their activity fees
Community Events	Morning Show Interview	28-May	8:20 AM	10 MINUTES	The first Market Alley Music Days event was a great success yesterday afternoon, but the Monmouth Business Council wants everyone to know that the fun is just beginning. Council treasurer, Kim Sheetz, explains a little about what the Council is planning for this summer. Sheetz says the baconfest will be held on Friday, August 7 th and they are looking for food vendors to create recipes focused on bacon for BaconFest.
