

There follows a listing of some of the significant issues responded to by WRAM, along with the most significant programming treatment of those issues for the period of: October 1, 2015 to October 31, 2015. The listing is by no means exhaustive. The order in which the issues appear does not reflect any priority or significance.

Description of Issue	Program/Segment	Date	Time	Duration	Narration of Type and Description of Program/Segment
Health	Morning Show Interview	2-Oct	8:15 AM	15 MINUTES	Jamie Weyant of OSF Holy Family Medical Center, wants to remind people that they are able to sign up still for the third session of the Healthy Weight, Healthy You program. The Healthy Weight, Healthy You program is a 12-week program that takes place on Thursday nights.
Agriculture	Morning Show Interview	7-Oct	8:15 AM	15 MIN	With harvest season in full force, Mark Phillipson of the Warren County FSA, says that farmers in the area were unsure of what to expect with their yields this season. Phillipson added, however, that many farmers in the area have been pleased with their yields so far. Phillipson also wants to remind farmers around this time that if they are planning on putting grain in storage, they should utilize the FSA's loan services that are available.
Political	Morning Show Interview	18-Oct	8:15 AM	15 MINUTES	State Representative, Don Moffitt, explained in an interview on 1330 WRAM earlier in the week about his decision to not seek reelection in 2016. Moffitt says that it has been an honor for him to serve this area in the Illinois General Assembly. Moffitt says that although he will not be a state representative, he still wishes to stay involved in public policy and will be open to whatever options are available to him. For more of State Representative Don Moffitt's interview, visit our website at 1330wram.com and click on our podcasts tab.
Health	Morning Show Interview	12-Oct	8:15 AM	20 minutes	The OSF Holy Family Medical Center will be hosting their first ever 3D Mammography on Tuesday, October 13 th . Mary Mowen says that this new technology is a large improvement over a traditional mammogram. Mowen added that it is important for women over 40 to get annual screenings and urges women to come out to get a screening. For more information, make sure to contact OSF Holy Family medical center and ask to them about their new 3D technology.
Education	Morning Show Interview	14-Oct	8:15 AM	20 minutes	Nearly \$2.6 million dollars in MAP grants have been available to Monmouth

					College students but the State of Illinois budget impasse has colleges and universities concerned...Monmouth College President Clarence Wyatt says regardless of what political spectrum you're on, the grant funding for education is important... Approximately 130,000 students in Illinois rely on MAP grant funding.
Non Profit	Morning Show Interview	19-Oct	8:15 AM	15 MINUTES	Nancy Mowen, of the Jamieson Community Center, says that the budget impasse in the state is greatly impacting the Jamieson Center programs. She says that a large program that is being affected is their home-delivered meals program. Mowen added that she hopes a budget agreement is reached very soon, as it is affecting several very important social services provided in Illinois. To hear more from Mowen and the Jamieson Center, visit our website at 1330wram.com
Education	Morning Show Interview	21-Oct	8:15 AM	10 minutes	United Superintendent, Jeff Whitsitt, says that a big focus of the recent United School Board meeting was discussion about the possible property tax freeze in the state of Illinois. Whitsitt states that the freeze could impact the district years down the road. Whitsitt added that it has been difficult for the district to make plans for their financial future as they are still unsure about what will be accomplished within the state.
