

There follows a listing of some of the significant issues responded to by WRAM, along with the most significant programming treatment of those issues for the period of: January 1, 2015 to January 31, 2015. The listing is by no means exhaustive. The order in which the issues appear does not reflect any priority or significance.

Description of Issue	Program/Segment	Date	Time	Duration	Narration of Type and Description of Program/Segment
Education	Morning Show Interview	6-Jan	8:15 AM	10 MINUTES	Monmouth College communication studies instructor Chris Goble was part of a select group of international educators chosen to participate as a faculty fellow prior to the annual National Association of Television Program Executives Market & Conference in Miami earlier this month. Goble, who serves as the adviser to the college's MC-TV and WMCR radio, was one of 21 college and university officials allowed special access to a group of six industry leaders on the day before the conference.
Education	Morning Show Interview	14-Jan	8:15 AM	20 MIN	The Monmouth-Roseville Board of Education met this week and voted in a \$50 participation fee for high school and junior high activities and sports. Superintendent Ed Fletcher offers more details. Fletcher says these fees mean that there will be no eliminations that were on the table.
Health	Morning Show Interview	16-Jan	8:15 AM	15 MINUTES	The Warren County Health Department Director, Jenna Link, recommends getting your flu shot if you haven't because the flu isn't yet over for the season. Link says the Health Department still has some shots available and its never too late to receive the vaccine.
Education	Morning Show Interview	26-Jan	8:15 AM	20 minutes	The United School District Board of Education met last week and made the decision to add junior high baseball as a replacement junior high football program that was cut earlier this school year. Superintendent Jeff Whitsitt explains more. Whitsitt said the District had considered some outside the box ideas and even doing something in house but that baseball seems to be the best fit for the school.
City Government	Morning Show Interview	20-Jan	8:15 AM	20 minutes	Talked with Monmouth City Administrator Monmouth City Administrator Lowell Crowe says the City is waiting to see what the State does in terms of pensions so they can follow suit. Crowe said cities across the state are starting to get creative with how they are handling the uncertainty including contracting out fire services and partnering with their counties for services.
City Government	Morning Show Interview	21-Jan	8:15 AM	15 MINUTES	As Cloverleaf Cold Storage ramps up to open its doors, the City of Monmouth is looking toward the future of the community. Economic Development Director, Paul Schuytema, share part of the vision. Schuytema says that as soon as the weather breaks an extra lane will be added to US highway 67 and a stoplight added to the intersection at 67 and Cloverleaf

					drive to ensure safe travel conditions for cars and trucks in the area.
