

W34DV-CD TV34

Listing of Community Issues & Programs Quarter 2 – 2023

As we closed on the purchase of W34DV on June 8th, 2023, 5GTV is diligently working to obtain local programming and will air locally produced content shortly.

W34DV-CD airs France24 News 24/7. With the war in the Ukraine started in February, France 24 continues to cover the war more than any other OTA news outlet in the DMA.
