Quarterly Issues/Programs List

KIAK provides its listeners with programming and public service announcements that address issues of concern to our local community. Among the issues determined to be of most concern to the community during the preceding calendar quarter were:

POLITICAL: Former president Trump is in the news constantly with his indictments and court appearances. Alaska is a red state so this generates much discussion. Congresswoman Mary Peltola's husband was killed in a plane crash causing grief among the state as her constituents rally behind her. The local election for School Board and Council

ECONOMY: The PFD was distributed in early October, totaling \$1,300 per Alaskan resident. This brings a major boost to the economy each year. Heating oil prices are at an all-time high which is a major topic leading into the winter.

PUBLIC HEALTH: Mental health concerns are prominent throughout Q3, with the focus on young adults and the negative consequences of isolation & quarantining the past few years. There has been a notable increase in Fentanyl cases including deaths among young Alaskan adults.
