KIAK
Quarterly Issues/Programs List

KIAK provides its listeners with programming and public service announcements that address issues of concern to our local community. Among the issues determined to be of most concern to the community during the preceding calendar quarter were:

COVID-19: Alaska's COVID number continue to rise at increased rates, especially during and directly after the holiday season.

PUBLIC HEALTH: Most public health issues were related to COVID-19, and mental health is a highlight right now with the quarantine continuing.

ELECTION: The election was a heated race nationally, and in Alaska, there was one congressional and one senate seat that provided much debate and media coverage.

EDUCATION: School started remotely and continued to be remote throughout all of fourth quarter.
