I am Bob Compton of Lincoln City. I am running to be your next District 74 State Representative. We need a change in Indianapolis. Public education is being short changed. A strong public education is key to future success. Knowledge is power. We need to stop diverting education tax dollars away from public education. Public school teachers deserve a raise. Our children deserve the very best. The future depends on it.

Vote Bob Compton State Representative, District 74.

2119

I am Bob Compton of Lincoln City. I am running to be your next District 74 State Representative. Now that the United States Supreme Court has struck down Roe versus Wade with its Dobbs ruling, women's reproductive health care is to be determined by the states. We need to protect women's health care from politicians. The state of Indiana needs to give women the freedom to make their own health care decisions with the aid of their health care professional.

Vote Bob Compton State Representative, District 74 to protect women's reproductive health care.
