0:30 – “Real Economic Power”

Female voice: A message from Tom Steyer.

Tom Steyer: Wall Street banks took advantage of millions of Americans during the recession.

So, my wife Kat and I took action. We started a non-profit community bank with a simple theory - give people a fair deal and real economic power

Invest in the community. In businesses owned by women and people of color.
In affordable housing.

The difference between words and actions matters. That’s a lesson politicians in Washington could use, right now.

I’m Tom Steyer, running for president, and I approve this message.
