Title: Filling the Gaps

Voice: Rick Howard

Voice: This is former Comanche ISD Superintendent Rick Howard. Here are a few reasons by I'm voting YES to joining the Ranger College District

As taxpayers we invest to have great public schools to educate our children from Kindergarten thru High School.

In Texas and our area are blessed with many great 4-year colleges and Universities like Tarleton, Angelo State and even some who choose to go to A&M, Tech or UT.

But who fills the gap for those who want more than a high school diploma or can't afford to or don't want to go to a 4-year college or university?

For us, that's Ranger College.

Did you know last year, Ranger College create more than 250 jobs in our area that put more than more than \$9 million dollars into our local economy.

Please consider voting "FOR" the Ranger College Annexation --after all Investing in Local Education is always the right choice.

Ranger College

Title:

Voice: Willie Dejong

Announcer: Comanche County Resident and Dairy Industry Leader Willie Dejong

Willie: Folks, this is Willie Dejong, I want to talk to you about something that has been bothering me for some time now.

Paying taxes is never fun. But we do it because the benefit outweighs the alternative.

But what I've witnessed in this election on Ranger college is wrong.

My momma taught me if you can't say something nice, then don't say anything at all.

If you want to vote 'no' that's fine. . . but don't use your excuse by
Attacking Ranger College

You don't attack its students, its teachers or administrators

You don't talk smack or talk down about people who have gotten degrees
from Ranger College because they are of what they've done.

Because I have lots of friends who are nurses, welders, fire fighters,
dairymen, hairdressers, machinists and hard working people who are just
trying to get a little more training to get better jobs and take care of their
families.

Voting No is your right. But it's not right to attack those who disagree
with you—online, in the coffee shop or at church.

My wife and I will be voting Yes for Ranger College. . because that's our
right, too.
