Script
Unacceptable and ludicrous. That's what liberals are saying about the debt deal.
They're angry because Speaker McCarthy and the House rolled Biden, delivering another win for conservatives.
Unspent COVID money for China? Clawed back. Biden's plan to hire armies of new IRS agents? Stopped cold. And for once... Washington will spend less, with two trillion in real savings.
Call Congress at eight hundred, eight nine four, twenty thirty-six. Thank them for protecting taxpayers. Paid for by American Action Network.
