

To Whom It May Concern

This letter shall serve as official confirmation, per FCC R&R 73.18730a, that Norm Laramie shall be designated as Chief Operator of KRAV, Tulsa.

The Chief Operator shall be responsible for weekly inspections and calibrations per FCC R&R 73.1580; make or supervise entries in the Maintenance Log per FCC R&R 73.1830; and to make weekly review of station operating logs with notations of discrepancies and necessary corrective action as well as advise the licensee of any repetitive problems and to sign and date each log inspected.

This letter shall further designate Wayne Smith as temporary Chief Operator during leaves of the Chief Operator.

I attest that I am designated by Cox Radio as their agent in this assignment.

 Date 6/21/17

Dan Lawrie

Vice President and General Manager

KRAV, Tulsa
