

KGIL

QUARTERLY ISSUES & PROGRAMS 4TH QUARTER 2022

ISSUE: Earthquake Preparedness.

RESPONSE: In response to the two major Ridgecrest earthquakes in July, 2019, KGIL consistently provides earthquake preparedness announcements and information on the station website, www.927qlite.com

ISSUE: Halloween Safety (Fenanyl).

RESPONSE: Ridgecrest Police Department provided a recorded PSA broadcast during the month of October, 2022, with safety tips for trick or treaters including wearing a visible costume and carrying lights. For the parents, to carefully examine all candy and not consume anything that is not factory sealed. If in doubt, throw it away.

ISSUE: Safety during the Holidays.

RESPONSE: Ridgecrest Police Department provided a recorded PSA broadcast during the months of November and December, 2022, with safety tips including traffic safety in Ridgecrest, burglary prevention, safety while shopping at local stores, DUI prevention including designating a sober driver.

ISSUE: Covid 19.

RESPONSE: Ridgecrest Regional Hospital provides regular announcements regarding Covid vaccines and prevention tips.
