Tuesday & Wednesday: On today's WIHS Journal with Paul Kretschmer, explore the value of building the family in the traditional manner and from the perspective of God, Creator of the family. Our guest on the program today is pediatrician Dr. Stuart Eldridge who is based in Indiana. Dr. Eldridge works with his wife in the ministry called "Teaching Passionate Parenting," which is in addition to his daily work at a doctor's office in Dr. Eldridge's hometown. Through professional experience as a doctor and his redemption through Jesus Christ, Dr. Eldridge has become convinced that contemporary child rearing and marriage building misses the point because most training leaves out the plan of God for the marriage and for raising children. Dr. Eldridge now does seminars and provides information on line and through his first book. Hear the WIHS Journal with Paul Kretschmer conversing with Dr. Stuart Eldridge today at 3:15am; also at 12:13 & 5:49pm on WIHS Middletown—Live and Local 24/7!
