February 26-March 3, 2018

Monday: On Mondays WIHS Journal, Anissa Porticelli, will be speaking to Mario and Kathie Santiago; they are marriage ministers from the victory Christian church in Middlefield. They will highlight the conference called one love marriage conference. They will talk about the tactics, and tools to sharpen marriages, and relationships today. You can hear this interview at 3:15 AM, 12:13 PM and 5:49 PM right here and live in local WIHS!

Tuesday: On Tuesdays WIHS Journal, Anissa Porticelli will speak to Jack Flynn, a local representative from voice of the martyrs. Today Jack will talk about the new movie called tortured for Christ, it's a movie based on the true life testimony of a pastor who was brutally tortured for his faith in Christ, the movie will be in theaters for one day only March 5th. You can hear more this interview at 3:15 AM, 12:13 PM, and 5:49 PM right here on live in local WIHS!

Wednesday: First Opportunity House is a Christ Centered Sobriety transitional housing program for men. Learn more when you here Gerry Williams conversation with founder Pastor Michele Augustine today at 3:15 am, 12:13 pm and 5:49 pm on the WIHS Journal.....News & Public Affairs!

Thursday & Friday: On today's WIHS Journal you'll hear about a group of northeastern states working together to cut down the generation and travel of greenhouse gases in the atmosphere. From Environment America, Morgan Folger explains to Paul Kretschmer what effects the creation of greenhouse gases has on the planet people call home. The WIHS Journal airs today at 3:15am; also at 12:13 & 5:49pm here on WIHS Middletown—Good News 4 Connecticut!

Saturday: The topic of today's monthly WIHS Healthline broadcast with Lou Carta is sleep apnea, a disorder that may keep you up nights and may even threaten your health or life. From Middlesex Hospital in Middletown, Dr. Mark D'Agostino will discuss a common disorder that affects three to five percent of the population. If left untreated, the impact could include high blood pressure, heart disease, strokes, diabetes and dementia. Hear the WIHS Healthline today at 3:15am, also at 12:15 & 5:10pm here on WIHS Middletown—Good News 4 Connecticut!
