**Public File**

**Monday:** The issue on this broadcast was traveling with pets. The planning for secure travel, proper exercise, feeding and watering pets in transit was discussed. Angles included car, train and airline travel with Carol Osbourne, a registered veterinarian. Paul Kretschmer was the host.

**Tuesday & Wednesday:** The issue on these broadcasts was the looming threat of China to countries around the globe, not merely in southeast Asia. That threat includes the United States which is pledged to defend numerous countries in the far east. The guest was writer Nan Su on the staff of the Epoch Times. Military & trade angles were covered. The host was Paul Kretschmer.

**Thursday:** The issue on this program was generating electric power on a newer developing wind turbine that dispenses with large propeller type blades and instead looks more like a jet engine. From a firm that designs and is seeking attention from prospective buyers, Alan White was the guest and the host was Paul Kretschmer.

**Friday:** The issue on this program was an introduction to the residents of Connecticut of Dave Pettigrew, a Christian musician and songwriter. Pettigrew was scheduled to perform at a coffeehouse in Connecticut in the first weekend of September at the time of broadcast. The host was Steve Tuzeneu.

**Saturday:** The issue on this broadcast was the final part of a three part series about the New England Air Museum, alongside Bradley International Airport in Windsor Locks. The executive director, Stephanie Abrams took host Gerry Williams on a tour and described for radio some of the exhibits.
