

## WIHS Journal Promos for October 31 to November 5, 2016

**Monday and Tuesday:** On Mondays and Tuesday's WIHS Journal the guest is Cecil Pollydore. He is the director of the northeast region of Samaritans purse and Operation Christmas Child. On the broadcast he we share testimonies, of how children have been impacted around the world through a shoebox filled with gifts. Operation Christmas Child will soon be collecting boxes filled with gifts for less fortunate children around the world. Beginning November 14 through the 21st. You can tune in more to hear about this broadcast at 3:15 AM, 12:13 PM, and 5:49 PM right here on your live and local station WIHS!

**Wednesday:** The annual 100 Men Of Color Gala and awards ceremony was recently held at the Bushnell theater in Hartford. Hear Gerry Williams conversation with founder June Archer and more. That's happening on the WIHS Journal at 3:15 am; 12:13 pm and 5:49 pm at 104.9 FM WIHS AND [WIHSRADIO.ORG](http://WIHSRADIO.ORG)!

**Thursday & Friday:** On today's WIHS Journal, hear a frank conversation with former Arkansas governor and presidential contender Mike Huckabee. The Fox news commentator was the keynote speaker at the Family Institute of CT annual function at the Stamford Marriott Hotel. In a wide-ranging conversation, Mike Huckabee spoke of his career in radio, call to the pastorate and move into politics. He became governor of Arkansas after Bill Clinton's successor was removed from office in the wake of illegal activities. Mike Huckabee has run twice for the Republican nomination for president and has some practical observation for Christians contemplating entering politics. Hear this conversation hosted by Paul Kretschmer on today's WIHS Journal. It airs at 3:15am; also at 12:13 & 5:49pm here on WIHS Middletown—Live and Local 24/7!

**Saturday:** The WIHS Healthline broadcast airs on the first Saturday of the month and is hosted by Middletown Public Health community educator Lou Carta. "The Aging Brain" is the topic on the November 2016 WIHS Healthline. Most anyone knows that our ability to function changes as we age. But, there are conceptions and misconceptions on how our aging brain manifests itself. Alicia Farrell, PhD is Lou Carta's guest from Clearview Consulting in Old Saybrook and will inform your knowledge of aging and the mind. The WIHS Healthline airs today at 3:15am; also at 12:15 & 5:10pm here on WIHS Middletown—Live and Local 24/7!
