

December 28, 2015 to January 2, 2016 WIHS Journal Promos

Monday:

Tuesday: On Tuesday's WIHS journal Anissa Porticelli will speak to Anne Marie Boulay (boo-lay) from the Underground Ministry. The interview will focus on the mission of the underground to eradicate sex trafficking in Connecticut by holding prayer events, ministry outreaches and by and by being an advocate for those who are vulnerable. Anne Marie, will discuss new strategies that are in place to help this mission. You can hear this interview at 3:15am; 12:13PM and 5:49 right here on your live and local station WIHS.

Wednesday & Thursday: On today's WIHS Journal, hear excerpts of a visit that Connecticut Governor Dannel Malloy made to speak with participants in the Second Chance program. Second Chance provides, as its name implies, an opportunity for those who've made mistakes in the past and ended up in a jail, to restart their life. Funding is a combination of federal and state sources, and this state is becoming known for the implementation of Second Chance so far. Hear this WIHS Journal hosted by Paul Kretschmer and produced in cooperation with the Connecticut Network. The WIHS Journal airs today at 3:15am; also at 12:13 & 5:49pm, here on WIHS Middletown—Live and Local 24/7!

Friday: On today's WIHS Journal, we begin the New Year with a conversation about Christian ministry and outreach to Muslims. The Islamic religion and what some do allegedly in its service is all over the news. From Frontiers USA, Bob Blincoe discusses what the organization he represents is doing to reach Muslims for Jesus Christ, admittedly in many areas where it's dangerous to even be known as a Christian, let alone proselytize to Muslims. Katie Hearth from Mission Network News conducts the conversation. Hear the WIHS Journal, hosted by Paul Kretschmer today at 3:15am; also at 12:13 & 5:49pm here on WIHS Middletown—Live and Local 24/7!

Saturday: Catherine Colella is the guest on the next edition of the health-information radio program — Healthline. Ms. Colella, a liver transplant recipient Since 2009 and volunteer with Donate Life Connecticut, will share her story and explain why it is so important to become a tissue and organ donor. Donate Life Connecticut is dedicated to raising awareness about the organ and tissue donation and increasing the number of registered donors in this state. Healthline is produced by the Middletown Health Department and can be heard Saturday, January 2 at 3:15 a.m.; 12:15 p.m., and 5:10 p.m. here on WIHS Middletown—Live and Local 24/7!
