

## **WIHS Journal Promos for the Week of June 26-July 1, 2017**

**Monday & Tuesday:** On Monday and Tuesday's WIHS Journal, Anissa Porticelli will speak to Tim Kaufman the author of "Singing Hallelujah When You Feel Like Hell." Tim is an author, speaker songwriter, and a professional vocalist. He will share his battles of deep depression and how medication, and God intervened in his deepest darkest despair, and now he is traveling again and very happy! You can hear this journal, at 3:15 AM, 12:13 PM, and 5:49 PM right here on your live and local station inspiration and information WIHS!

**Wednesday:** For the next three days you'll be taken inside of the New Britain Industrial Museum. Museum director Karen Winslow Hudkins explains how the town of New Britain's manufacturing played a major part in America's tool usage and more. Here Gerry Williams Out And About coverage of this amazing and informative museum. That's happening today at 3:15 am, 12:13 pm and 5:49 pm on the WIHS Journal at 104.9 FM, News and Public Affairs!

**Thursday:** On this segment of Gerry Williams Out And About Coverage of the New Britain Industrial Museum, you'll hear about the story of Phillip Corban, the 5 industries that existed in early America and their contribution and more. That's happening today at 3:15 am, 12:13 pm and 5:49 pm on the WIHS Journal at 104.9 FM, News and Public Affairs!

**Friday:** On Gerry Williams 3rd and final segment of his Out And About coverage of the New Britain Industrial Museum, you'll hear about a so-called genius cluster in New Britain, the struggles that early manufacturers were having and Museum director Karen Winslow Hudkins favorite Stanley brother and more. That's happening today at 3:15 am, 12:13 pm and 5:49 pm on the WIHS Journal at 104.9 FM, News and Public Affairs!

**Saturday:** On this month's WIHS Healthline broadcast the subject is Alzheimer's disease, among the top major maladies today, and one for which there is no effective cure. From the Alzheimer Association of Connecticut, Jennifer Walker will discuss what Alzheimer's Disease is, how it is detected and the palliative response for patient and caretaker family members. The WIHS Healthline broadcast is aired monthly in cooperation with the Middletown Public Health Department and hosted by community health educator Lou Carta. Tune in at 3:15am; also at 12:15 & 5:10pm here on WIHS Middletown—Live and Local 24/7!
