

WIHS Journal Promos for the Week of August 15-20, 2016

Monday: On Mondays WIHS Journal, Anissa Porticelli will speak to Rozeena Hoosain, the organizer of the ministry Value of One. Today she will share her testimony of how God healed her from her abuse. Also, will highlight details of the conference Let's End Sexual Abuse, the speakers, and the intimate, breakout sessions for this event being held at the First Assembly of God in Waterbury. You can hear more about this interview at 3:15am; 12:13PM and 5:49PM right here on your live and local station WIHS!

Tuesday: Creation Science Presentation interview with Drew Crandall. He'll be discussing a seminar that will be taking place on August 27th at Stamford Baptist Church. This represents the latest in an ongoing series showing God's handiwork through His creative power. You'll hear about the seminar leaders Drs. Joshua and Devon Spencer. Hear this conversation hosted by Anissa Porticelli on today's WIHS Journal, airing at 3:15am; also at 12:13 & 5:49pm here on WIHS Middletown—Live and Local 24/7!

Wednesday & Thursday: On today's WIHS Journal, hear about an effort to create a nationally protect site under the sea off the coast of Cape Cod. There are underwater mountains, known as seamounts so deep that the Grand Canyon would fit in the valley between them. It's the first time protecting such a natural site has been proposed by the US government. Paul Kretschmer will conduct a conversation with Brad Sewell representing the Natural Resources Defense Council on the WIHS Journal. The program airs at 3:15am; also at 12:13 & 5:49pm here on WIHS Middletown—Live and Local 24/7!

Friday: Harbor Park along the shores of the Connecticut River in Middletown is an area always bustling with activities during the summer. Gerry Williams was there recently and spoke with a friendly fisherman who talked about fishing the Connecticut River and more. Hear this conversation today at 3:15 am, 12:13 pm and 5:49 pm on the WIHS Journal at 104.9 FM, Live and Local in Middletown!

Saturday: On today's WIHS Journal, hear about a laboratory that contributes to the national defense, operated by General Dynamics, the owner of Electric Boat shipyard. It's called the Applied Physical Sciences Center and it was re-dedicated recently. Among the speakers you'll excerpts courtesy of the Connecticut Network will be Jeffrey Geiger from General Dynamics and US 2nd District Representative Joseph Courtney of Connecticut. Hear this WIHS Journal hosted by Paul Kretschmer today at 3:15am; also at 12:12:15 & 5:10pm here on WIHS Middletown—Live and Local 24/7!
