Wednesday: Join Gerry Williams for his 3rd and final segment with his conversation with vice president of WIHS Drew Crandall about the life and legacy of Prudence Crandall. That's happening today at 3:15 a.m., 12:13 pm and 5:49 pm on the WIHS Journal its News & Public Affairs!

Thursday & Friday: On today's WIHS Journal with Paul Kretschmer, the issue is the interest your dentist takes in February—Heart Month here in the United States. You'll find out the dentist is aware that many diseases of the heart begin as infections that usually or often begin in your mouth as a result of tooth decay or abscesses in your gums. Here dentist Dr. Tyler Williams explains all this on the WIHS Journal. It airs today at 3:15am; also at 12:13 & 5:49pm here on WIHS Middletown!

Saturday: On today's WIHS Journal with Paul Kretschmer, the question posed is, "will utility power users see lower bills as more electricity is generated with green energy?" Jack Kerfoot spent years working for utility companies and is now a consultant on the industry, based in Houston. He says renewable sources as wind turbines can generate electricity for much lower cost than oil, coal or nuclear. The WIHS Journal airs today at 3:15am; also at 12:15 & 5:10pm here on WIHS Middletown!
