**CERTIFICATION OF COMPLIANCE WITH LIMITS**

**ON AMOUNT OF COMMERCIALS IN CHILDREN'S PROGRAMMING**

July 1, 2017 through September 30, 2017  
3<sup>rd</sup> Quarter 2017

I, Eric Ferriell, in my capacity of Research and Programming Manager, hereby certify that for the period from July 1, 2017 to September 30, 2017:

1. I am familiar with the commercial limits imposed by Section 73.760 of the FCC's rules (no more than 12 minutes per hour of commercial material may be broadcast during children's programming\* during the week, and no more than 10 ½ minutes per hour on the weekends);

\* 'Children's programming' when used here means programming originally produced and broadcast primarily for the audience of children 12 years old and under.

The number of commercials contained in Children's Programming for WKEF-TV, WKEF-DT2, WKEF-DT3, and WKEF-DT4 during the 3<sup>rd</sup> Quarter 2017 did not exceed the amount set forth by the CTA on 1990 and the FCC's rules. This includes the following children's programs:

The Wildlife Docs  
Jack Hanna's Wild Countdown  
Outback Adventures  
Wild American

Rock the Park  
Ocean Treks  
Sea Rescue

Expedition Wild  
Wild World

**MISSING (ASN)** - This program features actual cases of missing individuals across the country. Assisted by local state and federal law enforcement agencies, as well as the National Center for Missing and Exploited Children, the program interviews friends, family, and investigators involved with the cases. The program emphasizes taking responsibility for personal safety and promotes situational awareness. Each episode showcases safety tips, a safety quiz, and an instructional message from the National Center for Missing and Exploited Children.

**AMERICA'S HEARTLAND (ASN)** - Much of the food Americans eat is produced by farmers and ranchers in the country's heartland, but many children don't know how it's produced. "America's Heartland" provides information about the people and processes responsible for the availability of food and fuel across the country and around the world. The show's reporters and producers tell stories in topics that include farm families, consumer issues, animal welfare and crop sustainability. Children will learn about the production of the food and fuel they consume. Some episodes also take the show abroad to countries such as Egypt and Taiwan, to show the impact American agriculture has on the global economy.

**DOG TALES (ASN)** - Each episode of Dog Tales profiles a breed of dog; its history, popularity and characteristics. Viewers will learn the differences in dogs and how those differences affect their lives. Viewers are shown families who own particular breeds, how they interact with their dogs, and how they are a valuable part of the family. Several dog experts explain the various dogs' needs, health, nutrition requirements, safety, and care.

**ANIMAL RESCUE (ASN)** - This program exerts a positive influence on its viewers by illustrating the best of human instincts. In particular, the show highlights respect and compassion for all living creatures, informative instruction on medical rehabilitation treatments and techniques, and the teamwork of animal rescue personnel. The viewer learns valuable information about animal development, behavior and habitats, and is also made aware of important environmental issues.

**REAL WINNING EDGE (ASN and Stadium)** - This program features young people who have been chosen to be profiled because of their adoption of pro-social values and principles. The particular youth featured is interviewed by a celebrity in the same talent field. This program shows the viewer that honesty, loyalty, hard work, self-discipline and balancing school work with social activities and friends, and developing a sense of purpose in his/her life, all combine to help the viewer stand against influences which could hurt him/her or others.

**SPORTS STARS OF TOMORROW (ASN and Stadium)** - This program showcases the hard work and dedication required to be a true sports star. Chronicled are the trials and tribulations of young athletes as they strive to become top level performers in the sports arena. This program helps viewers realize that with hard work and determination, their goals in life and on the playing field are attainable. Key values such as dedication, discipline, commitment and community involvement are reinforced in each episode. The program also provides in-depth stories that reveal the important challenges and lessons that mold young athletes. Through these stories, viewers learn that while many desire greatness on the grand stage of competition, much can be learned through the journey that can make a significant difference throughout their lives.

**FUTURE PHENOMS (Stadium)** - Hosted by Pat Summerall, this program takes viewers coast-to-coast and in-depth with the brightest young athletes in sports. The series profiles high school athletes who have overcome personal adversity to pursue their dreams. The athletes are recognized for their classroom achievements, as well as their contributions in extracurricular activities. The importance of dedication, discipline, commitment to academics, and community involvement are spotlighted as part of the athletes' success. The stories strive to inspire viewers to pursue knowledge and a healthy, active lifestyle, despite any personal difficulties.

**DRAGONFLY TV SPORTS (Stadium)** - Dragonfly TV Sports" is a weekly half-hour science television series that meets the educational and informational objectives of the FCC's Childrens Programming requirements for children ages 13-16. The programs highlight children "doing" projects with real hands-on experience and demonstrates practical applications of mathematics and science, in particular, as it relates to individual sports or sporting activity. It introduces young viewers to a variety of scientific disciplines within a particular sport and challenges them in critical thinking and problem solving skills, while providing valuable information to reach answers. Each sports-related episode is engaging, entertaining and educational in structure, allowing children to investigate science on their own. "Dragonfly TV Sports" is closed-captioned for the hearing impaired and displays the "E/I" icon throughout the broadcast.
