3/26 News	COVID-19	<p>Egypt officials say a grounded cargo ship blocking the Suez Canal has budged slightly. The head of the Canal Authority said Saturday that efforts to dislodge the giant container ship have allowed the stern and rudder to move, and that water is now running underneath the ship. Tugboats have been brought in to help, and there's a plan to remove hundreds of containers from the ship to reduce weight. The 13-hundred-foot boat is one of the world's largest cargo ships, and became wedged in the southern part of the canal last Tuesday, blocking traffic in the busy waterway.</p>	:30 seconds long airing 3 times at 6:00, 7:00 and 8:00 am

PA Traffic Law

A new law takes effect in Pa this Thurs, The "Move Over" rule requires you to move over to another lane of traffic, if it's safe to do so, when you come up on something happening on the side of the road like a tow truck, police with someone pulled over, or some other emergency... ect.. If it's not safe to pull to another lane then you have to slow down to 20 MPH while passing the situation.
