Warren,

His name is Keith White- phone # 863-634-4892.  
He is running for County Commissioner District #3, in Okeechobee County.

He came in the office 4-2-24 asking for rates. I called him back this morning and left a message for him to call me.

At this point I have not given him any rates.  
I will let you know if he calls me.

Thank You,

*Trish Grygo*

Warren,

I have an individual that is running for County Commissioner asking for rates. I explained that I was just returning to work from being sick and I had to check with you. How do you want me to proceed?

Thank You,

Good afternoon all,

Attached are some basic guidelines for political advertising for 2024. Please make yourself aware of everything that is required of us by the FCC. It is Glades policy not to prospect political business. We will accept it only if the candidate comes to us. I will have the rate card and dayparts that we offer once we get closer to the elections windows. If anyone calls and asks for planning rates, inform them they are not available.

Any questions, please ask.
