Public Affairs Programming

“Sonoma County’s Talking”

This program is a 30-minute locally produced program consisting of 2 interview segments with various public officials, community organizations and others to address issues and solutions.

KBBL-FM Sundays 6am to 6:30am

News Programming

Newscasts air every half hour in the morning covering both the news of the day and a public service announcement reflecting an issue or event in the community. The newscasts air at 5:30am, 6am, 6:30am, 7am, 7:30am 8am, and 8:30am.

Special News Programming

Programming times and dates vary depending the urgent need to inform the community.

Trump Coronavirus 2/27/20

President Trump says the U.S. is "very, very ready" for whatever the new coronavirus threat brings, even as health authorities warn Americans that more infections are coming. Trump has put Vice President Mike Pence in charge of overseeing the nation's response.

[CLIP]

On Capitol Hill, lawmakers are calling for much more money than the \$2.5 billion the White House has requested.

Solano County 2/28/20

Solano County officials have declared a local emergency after the Centers for Disease Control and Prevention confirmed a county resident tested positive for the novel coronavirus and the person may have gotten the virus through community transmission. Dr Bela Matyas with Solano County Health

[CLIP]

Public health workers are investigating everyone she had been in contact with over the past weeks. The resident who tested positive was not exposed to the disease through travel or from being in contact with an infected person.
