Section 3: Menu Option Outreach Initiatives

Activity/Description	Date	Staff Participant	Partners	Initiative Number
<u>Associate Producer Program</u> – The Associate Producer program is designed to provide part-time positions to potential job candidates who lack broadcast experience. Many AP's are students in some area of Mass Communication at Southern Illinois University, though some come from other backgrounds. Few have professional broadcast experience. AP's are given significant training to qualify them for part-time positions in news or production, and may receive further training in specific areas in which they show interest. During this period 14 AP's were hired. Most were students in broadcasting, journalism or related fields. Only one or two had professional broadcast experience. During this period 13 AP's left the station. Three of the 13 left for full-time positions at television stations or production houses. An additional 7 AP's were promoted to full-time positions at WSIL. The majority of full-time positions filled at WSIL during this period were filled by promoting AP's. <u>Station Tours</u> – WSIL conducts frequent station tours for interested groups. Many of these are for young people, school groups, church youth groups, scout groups and others. Tours frequently include information about types of jobs in broadcasting, or about the availability of internships and job shadowing opportunities. During this period WSIL conducted 18 station tours, including tours for high school students attending Radio/TV or Journalist “camps” at Southern Illinois University.	Ongoing	Bethany Tanner, Program Director	Interested community groups, educational institutions, non-profit organizations	16
<u>Internship Program</u> – WSIL accepts interns who are receiving academic credit. Students work in areas of their interests and internships are structured to their needs. During this period WSIL hosted 4 interns.	Ongoing	Mike Snuffer, News Director	Southern Illinois University St. Louis University	5
<u>Job Shadowing</u> – WSIL permits interested high school and college students to shadow a WSIL employee, usually for one day. During this period WSIL had 2 job shadows.	Ongoing	Mike Snuffer, News Director	Southern Illinois University McKendree	10

Facilitation of SIU Program Production – During this period WSIL made a \$3,000 cash donation to “River Region News”, a program produced by students at Southern Illinois University and aired on WSIU, a PBS station. River Region is a hands-on newsroom experience which, in our opinion, can help directly qualify students for television station positions (especially entry level positions such as our AP positions). Students are enrolled in the College of Mass Communications at SIU. River Region is not fully funded by either the college or the PBS station and is facilitated by our donation. This relationship also helps to sustain the relationship between WSIL and SIU, which helps raise SIU communications students’ awareness of WSIL internship, job shadow and employment opportunities.	Nov 2015	Steve Wheeler, President and General Manager	Southern Illinois University	10
Illinois Broadcasters Association MIP Program – WSIL works with the Illinois Broadcasters Association on the multi-cultural intern program. Potential interns are identified and interviewed by the IBA, then placed with participating stations. Interns receive a stipend from the IBA. During this period WSIL hosted 1 IBA MIP intern.
