**Quarterly List of Programming Responsive to Issues of Community Concern
Second Quarter 2020
April 1, 2020 – June 30, 2020**

In our ongoing effort to be the most trusted resource in the African-American community that informs, entertains and inspires our audience by providing culturally relevant integrated content, WDCJ 92.7 FM broadcasts programming responsive to issues concerning Washington, DC and the surrounding area. We are GDPR compliant on all our social media and websites. Following is a brief list of those issues, and of the station's most significant treatment of them.

The compliancy issues of importance this quarter included the following:

Social and Civic

Community

Most significant programming treatment of issues in the Second Quarter of 2020:

***"Just Like Us", Saturdays 6:00am-6:30am."*
Duration: 28 minutes**

During the 2nd quarter, society is introduced to the reality of COVID-19, a worldwide health pandemic. Due to COVID-19 we are instructed by the Center for Disease Control, local and national government to quarantine until the spread of the virus was contained. The Mental Health Awareness Month was also observed in the month of May. So we did a number of shows to bring awareness to the mental health community. In 2nd quarter we also experienced social and racial unrest as we witnessed the death of several African Americans by the hand of law enforcement. Being exposed to both social and health pandemics our Community Affairs shows provided expert advice from law enforcement, physical and mental health experts, educators, life coaches, social workers, employment agencies and faith leaders to share with our listening audience.
