File No. EB-05-IH-0106

Dear Licensee:

The Enforcement Bureau is investigating allegations contained in the enclosed redacted complaint (the "Complaint") that Citadel Broadcasting Company broadcast indecent and/or profane material over Station WQXA(FM), York, Pennsylvania, in violation of Title 18 U.S.C. § 1464 and section 73.3999 of the Commission's rules, 47 C.F.R. § 73.3999. Specifically, it is alleged that the station aired the word "shit" or a variation thereof (the "Expletive") on February 2, 2005, at approximately 8:40 a.m. We direct the Licensee, as defined herein, pursuant to sections 4(i), 4(j), 308(b) and 403 of the Communications Act of 1934, as amended, 47 U.S.C. §§ 154(i), 154(j), 308(b), and 403, to provide the information and Documents, as defined herein, within ten (10) business days from the date of this letter.

Instructions

If the Licensee requests that any information or Documents, as defined herein, responsive to this letter be treated in a confidential manner, it shall submit, along with all responsive information and Documents, a statement in accordance with section 0.459 of the Commission's rules, 47 C.F.R. § 0.459. Requests for confidential treatment must comply with the requirements of section 0.459, including the standards of specificity mandated by section 0.459(b). Accordingly, "blanket" requests for confidentiality of a large set of documents are unacceptable. Pursuant to section 0.459(c), the Bureau will not consider requests that do not comply with the requirements of section 0.459.

If the Licensee withholds any information or Documents under claim of privilege, it shall submit, together with any claim of privilege, a schedule of the items withheld that states, individually as to each such item, the numbered inquiry to which each item responds and the type, title, specific subject matter, and date of the item; the names, addresses, positions, and organizations of all authors and recipients of the item; and the specific ground(s) for claiming that the item is privileged.

Each requested Document, as defined herein, shall be submitted in its entirety, even if only a portion of that Document is responsive to an inquiry made herein, unless the Document is a recording or transcript, in which case it should be provided only for the period of time of the broadcast specified in the pertinent inquiry herein. This means that the Document shall not be edited, cut, or expunged, and shall include all appendices, tables, or other attachments, and all other Documents referred to in the Document or attachments. All written materials necessary to understand any Document responsive to these inquiries must also be submitted.

If a Document responsive to any inquiry made herein existed but is no longer available, or if the Licensee is unable for any reason to produce a Document responsive to any inquiry, identify each such Document by author, recipient, date, title, and specific subject matter, and explain fully why the Document is no longer available or why the Licensee is otherwise unable to produce it.

With respect only to Documents responsive to the specific inquiries made herein and any other Documents relevant to those inquiries, the Licensee is directed to retain the originals of those Documents for twelve (12) months from the date of this letter unless (a) the Licensee is directed or informed by the Enforcement Bureau in writing to retain such Documents for some shorter or longer period of time or (b) the Enforcement Bureau or the Commission releases an item on the subject of this investigation, including, but not limited to, a Notice of Apparent Liability for Forfeiture or an order disposing of the issues in the investigation, in which case, the Licensee must retain all such Documents until the matter has been finally concluded by payment of any monetary penalty, satisfaction of all conditions, expiration of all possible appeals, conclusion of any collection action brought by the United States Department of Justice or execution and implementation of a final settlement with the Commission or the Enforcement Bureau.

The specific inquiries made herein are continuing in nature. The Licensee is required to produce in the future any and all Documents and information that are responsive to the inquiries made herein but not initially produced at the time, date and place specified herein. In this regard, the Licensee must supplement its responses (a) if the Licensee learns that, in some material respect, the Documents and information initially disclosed were incomplete or incorrect or (b) if additional responsive Documents or information are acquired by or become known to the Licensee after the initial production. The requirement to update the record will continue for twelve (12) months from the date of this letter unless (a) the Licensee is directed or informed by the Enforcement Bureau in writing that the Licensee's obligation to update the record will continue for some shorter or longer period of time or (b) the Enforcement Bureau or the

Subject: Mr. Copps,

Mr. Copps,

I was listening to 105.7 the X, a Citadel Corp. owned radio station based out of Harrisburg, Pennsylvania this morning and an obscene word was used. It happened today, 2/2/05, around 8:40 am. It was my understanding that obscene words and actions such as these were not tolerated on public radio stations and I would appreciate if some form of action would be taken. Thank you for your time and cooperation.
