The following section contains Children's
Television program Commercial Limits,
Website Compliance and Program summary
documents specifically for:

KOAM-TV 7.1

(Main program channel)

KOAM-TV | CBS
CERTIFICATION OF COMPLIANCE
WITH CHILDREN'S TELEVISION COMMERCIAL LIMITS
January 1 through December 31, 2023

During the period listed above, the CBS Television Network ("CBS"), a unit of CBS Corporation, disseminated to its owned and affiliated stations the following weekly programs originally produced and broadcast primarily for an audience of children 13 to 16 years old:

LUCKY DOG
THE HENRY FORD'S INNOVATION NATION
MISSION UNSTOPPABLE
HOPE IN THE WILD
LUCKY DOG 2
DID I MENTION INVENTION?
LUCKY DOG: REUNIONS WITH BRANDON McMILLAN (Effective 10/7/23,
replacing LUCKY DOG)
TAILS OF VALOR (Effective 10/7/23, replacing LUCKY DOG 2)
RECIPE REHAB (Effective 10/7/23, replacing DID I MENTION INVENTION)

All of these programs were disseminated for weekend broadcast by CBS affiliates and owned stations.

I hereby certify that the children's programming disseminated by CBS during the period January 1, 2023 through December 31, 2023 was not required to conform to the commercial time limits prescribed in the Communications Act, as amended, 47 U.S.C. §303a, and 47 C.F.R. §73.670(a)-(d) because the programming was all originally produced and broadcast primarily for an audience of children older than 12. See 47 C.F.R. §73.670, Note 2.

Janet Borelli
EVP Paramount Global Content & Advertising Standards & Practices
Date: January 12, 2024

Network Information for Responding to FCC Form 2100, Schedule H

“CBS DREAM TEAM” (Jan. 7-Sept. 30, 2023) / “CBS WKND” (Effective Oct. 7, 2023 UFN) Calendar Year January through December 2023

Each of these children's programs listed below was designed with the significant purpose of serving the educational and informational needs of children.

As is the current practice, there is, and in the upcoming year will be, no End Station Break for local sale at the conclusion of each program. However, five seconds for Local Station Identification will continue to be provided at the conclusion of each program.

Since the Target Audience of the “CBS DREAM TEAM” / “CBS WKND” is 13-16 year-old viewers, the commercial limits established by Congress in the children’s television act of 1990 of no more than ten-and-a-half minutes of commercial time per weekend clock hour is NOT applicable. Each of these programs will be formatted with 7:30 of commercials. Please keep this in mind should your lineup include other children’s programming as part of this schedule.

In order to comply with the FCC's on-air identification requirement for educational children's programs, a 10-second graphic appears on the full screen (E/I Educational + Informational) at the beginning of each of the six children's programs with a voiceover “when you see this symbol (E/I) you know you’re watching a show that is educational and informational, CBS WKND weekend mornings on CBS.” It is then immediately followed by a static logo which appears in the lower left corner for the duration of the programs. The logo will feature the letters “E/I”.

The CBS Television Network provides information identifying the six children’s core programs it supplies to stations affiliated with the Network to the following publishers of program guides nationwide via AP Express to major listing services: TV Guide, TV Data Technologies, Tribune Media Services, and Kidsnet Media Guide and News.

PROGRAM DESCRIPTIONS

Length of Program: 30 minutes

Origination: NETWORK

Age of Target Audience

From: 13 years To: 16 years

LUCKY DOG (and LUCKY DOG 2)

Eric Wiese takes viewers on a journey of rescuing previously hard-to-love, out-of-control, untrained dogs and making their futures bright. At Eric's training facility, with the help of his wife, Rashi, he embarks on the seemingly impossible task of turning rescues into loving pets with sound training methods that viewers can use at home to train their own dogs. In the end, a lucky family will adopt an even luckier dog. With dog adoptions soaring during the pandemic, many by first-time dog people, Eric and Rashi's expertise comes at the perfect time to help people train their new pets. This program is specifically designed to further the educational and informational needs of children, has educating and informing children as a significant purpose, and otherwise meets the definition of Core Programming as specified in the Commission's rules.

THE HENRY FORD'S INNOVATION NATION

The Henry Ford's INNOVATION NATION, hosted by Mo Rocca, features the celebration of the inventor's spirit - from historic scientific pioneers throughout past centuries to the forward-looking visionaries of today. Each episode tells the dramatic stories behind the world's greatest inventions, and the perseverance, passion and price required to bring them to life. The program includes segments focusing on 'what if it never happened' and 'the innovation by accident,' and has a strong focus on 'junior geniuses' who are changing the face of technology. This program is specifically designed to further the educational and informational needs of children, has educating and informing children as a significant purpose, and otherwise meets the definition of Core Programming as specified in the Commission's rules.

Origination: NETWORK

Age of Target Audience

From: 13 years To: 16 years

MISSION UNSTOPPABLE

In MISSION UNSTOPPABLE, each week celebrity host Miranda Cosgrove highlights the fascinating female innovators who are on the cutting edge of science – including zoologists, engineers, astronauts, codebreakers and oceanographers. Viewers will be inspired by female STEM (science, technology, engineering and math) superstars in the fields of social media, entertainment, animals, design and the internet – all categories key to the teen experience. Academy Award-winning actress Geena Davis serves as executive producer, bringing her passion for creating change in the portrayal of strong female characters in entertainment and media that positively influences young viewers. Cosgrove also serves as an executive producer. MISSION UNSTOPPABLE is produced in collaboration with IF/THEN, an initiative of Lyda Hill Philanthropies. This program is specifically designed to further the educational and informational needs of children, has educating and informing children as a significant purpose, and otherwise meets the definition of Core Programming as specified in the Commission's rules.

HOPE IN THE WILD

HOPE IN THE WILD is a live action, half-hour television program that follows Hope Swinimer and her dedicated team as they rescue and rehabilitate injured and orphaned animals of all kinds. Hope's passion for wildlife conservation shines through everything she does to lead her team on their mission to care for and return each animal to the wild. From the pressure of saving an animal in critical condition to the joy in witnessing its victorious return home, HOPE IN THE WILD will educate viewers on the day-to-day jobs of this animal care team and the species they encounter. This program is specifically designed to further the educational and informational needs of children, has educating and informing children as a significant purpose, and otherwise meets the definition of Core Programming as specified in the Commission's rules.

#

Length of Program: 30 minutes

Origination: NETWORK

DID I MENTION INVENTION?

DID I MENTION INVENTION? is hosted by Alie Ward, is a television series developed for teens that shares fascinating stories of invention and shines a light on everyday innovators. With each episode, Alie will present reports of human ingenuity and inspiration from around the United States – and in some cases, around the world. Viewers will learn about young innovators and little-known facts about the history and process of innovation, igniting a spark within the minds and hearts of audiences. This program is specifically designed to further the educational and informational needs of children, has educating and informing children as a significant purpose, and otherwise meets the definition of Core Programming as specified in the Commission's rules.

#

Length of Program: 30 minutes

Origination: NETWORK

Age of Target Audience

From: 13 years To: 16 years

LUCKY DOG: REUNIONS WITH BRANDON McMILLAN

Animal trainer Brandon McMillan returns to the Lucky Dog Ranch, where he'll revisit some of the most heartwarming and illuminating rescue stories from his seven years as host. He'll "watch along" with the audience as he re-lives his experience rescuing and training shelter dogs, and pairing them with a forever family with a need in their own lives. At the end of each episode, Brandon will reunite with the family to find out how the addition of a cuddly canine has made a lasting impact on each member. *Lucky Dog Reunions* teaches valuable life lessons like taking responsibility, creating good habits, and developing a sense of appreciation for life and animals. Each episode celebrates second chances - for both pets and people - as the dogs are rescued from euthanasia, trained, and placed within a loving home. Along the way, viewers learn valuable pet training techniques as well as the history of each breed - and how to use that lineage to set each dog on the path to success. This program is specifically designed to further the educational and informational needs of children, has educating and informing children as a significant purpose, and otherwise meets the definition of Core Programming as specified in the Commission's rules.

Age of Target Audience

From: 13 years To: 16 years

TAILS OF VALOR

TAILS OF VALOR, hosted by Kel Mitchell, is a live-action half-hour program that features true stories of service animals working to change people's lives. The program also examines the life science behind these relationships, including the animals' unique and powerful senses that enable them to protect their human charges. TAILS OF VALOR will focus on the training and day-to-day jobs of these incredible animals and the quality of life they provide the people they serve, leaving viewers with a greater understanding and compassion for animals. Viewers will learn to see the world from different perspectives, and how those with disabilities experience everyday life and the challenges they face. This program is specifically designed to further the educational and informational needs of children, has educating and informing children as a significant purpose, and otherwise meets the definition of Core Programming as specified in the Commission's rules.

Age of Target Audience

From: 13 years To: 16 years

RECIPE REHAB

Each week, host Evette Rios, recently a field correspondent and roving reporter for "The Chew," helps American families modify and update a high-calorie family recipe. First, two chefs face off in a head-to-head competition to give the recipes a nutritious low-calorie twist. After making each rehabbed recipe in its own kitchen, the family chooses its new favorite. This recipe makeover challenge teaches viewers about the nutritional value of different foods, promotes the use of healthy, wholesome ingredients, and demonstrates that healthy food choices can have positive effects on viewers' quality of life. This program is specifically designed to further the educational and informational needs of children, has educating and informing children as a significant purpose, and otherwise meets the definition of Core Programming as specified in the Commission's rules.

➔ Return to ELIZABETH STANTON'S GREAT BIG WORLD (https://tvsco.com/series/support/?page_id=7286)

ELIZABETH STANTON'S GREAT BIG WORLD FCC Info

BELOW IS USEFUL INFORMATION FOR COMPLETING THE CHILDREN'S TELEVISION PROGRAMMING REPORT FORM 398

“Elizabeth Stanton’s Great Big World”

FCC E/I Core Programming

Target Age Group: 13 – 16 year olds

Describe the educational and informational objective of the program and how it meets the definition of Core Programming:

“Elizabeth Stanton’s Great Big World” follows the host Elizabeth and her celebrity friends traveling to far-off places, exploring ancient cities, visiting famous museums and much more. In this show it is not just about the destination but the fun and the learning along the way.

Telco Productions, Inc.

DRAGONFLY TV

“Dragonfly TV” is a weekly half-hour science television series that meets the educational and informational objectives of the FCC’s Childrens Programming requirements for children ages 13-16. The programs highlight children “doing” projects with real hands-on experience and demonstrates practical applications of mathematics and science. It introduces young viewers to a variety of scientific disciplines and challenges them in critical thinking and problem solving skills, while providing valuable information to reach answers. Each episode is engaging, entertaining and educational in structure, allowing children to investigate science on their own. “Dragonfly TV” is closed-captioned for the hearing impaired and displays the “E/I” icon throughout the broadcast.

Alex Paen
President
Telco Productions, Inc.

February 21, 2023

Dear Station Managers:

Teen Kids News (TKN) is a weekly 30-minute E/I program for teens 13 to 19 years old.

The program provides viewers with segments geared to helping them do better in school, maintain a healthy lifestyle, and navigate the everyday social complexities of being a teenager.

To make the program particularly relevant to this demographic, the segments are presented by teens.

Each program has 4 breaks containing of a total of 7 minutes of commercials:

Break 1 – 1:30 – commercials integrated by TKN

Break 2 – 2:00 – commercials integrated by TKN

Break 3 – 1:30 – commercials integrated by station

Break 4 – 2:00 – commercials integrated by station

Teen Kids News provides stations with a weekly synopsis of the program's content. These synopses can be used in the station's FCC report filings.

Educators with on-going, first-hand knowledge of TKN have submitted affidavits attesting to TKN's E/I value. See attached.

Best,

A handwritten signature in black ink, appearing to read "Alan J. Weiss". The signature is written in a cursive, flowing style.

RE: STATEMENT OF COMPLIANCE WITH FCC COMMERCIAL TIME LIMITS
“XPLORATION STATION” - E/I SERIES TARGET AGE 13-16

“XPLORATION STATION” is a 3 Hour STEM E/I block. This Block is produced for children 16 and under (**specific target audience is 13-16**).

“XPLORATION STATION” as delivered is formatted to allow for no more than 16 minutes of total commercial time per broadcast hour (**8 minutes total per half-hour**). This block does not display any Internet web sites address or host selling, and is in compliance with the FCC Commission’s Rules.

All stations airing this block if shows are provided with a written synopsis of each episode for their quarterly FCC report filings. These written episode descriptions are e-mailed to all stations prior to the start of each quarter. Also provided is written documentation by various Educators in the appropriate field who have reviewed a number of episodes and substantiate the educational value of the program.

If you need additional information, please feel free to contact us.

Sincerely,

Fern Rotfeld

RE: FCC OBJECTIVE LETTER – “XPLORATION: LIFE 2.0”

Xploration: LIFE 2.0 – This series is also a part of a 3-hour block of STEM based E/I programs titled... **XPLORATION STATION**.

How will new technologies and ideas impact us in the near - and far - future? How will our lives change in the coming years? As cutting-edge scientific advancements happen right now, what are some of the “bigger questions” that we, as a civilization, should start considering?

XPLORATION LIFE 2.0 is a high-end anthology miniseries that takes a deep and thought-provoking dive into a variety of topics - such as the future of human life extension, breakthroughs in interspecies communication, the rise of “cyborgism”, existing in virtual reality, and more. By interviewing world-class scientists and researchers, as well as leading futurists like Dr. Michio Kaku, each half-hour episode reveals mind-blowing scientific breakthroughs... and then asks viewers to consider what these incredible discoveries might mean for their own lives in the future.

Produced primarily for the 13 to 16-year-old target audience, XPLORATION LIFE 2.0 will appeal to the entire family, and help increase and expand viewers interest in the field of STEM education.

Steve Rotfeld Productions will provide a written synopsis of each episode for filing with our stations’ FCC Children’s Television Report. These write-ups will be emailed to stations on a quarterly basis. Also, each episode is close-captioned throughout.

If you need additional information, please feel free to contact us.

RE: FCC OBJECTIVE LETTER – “XPLORATION OUTER SPACE”

Xploration Outer Space – This series is also a part of a 3-hour block of STEM based E/I programs titled... **XPLORATION STATION**

This half-hour weekly series produced for the 13-16 target audience will certainly attract viewers of all ages. Each week our host Emily Calandrelli will take viewers on incredible journeys through space that will both entertain and educate. Ever wonder what it would be like to live in space or on a different planet? Watch our host try to perform every day responsibilities while floating in zero gravity. Explore the challenges that come along with living on a different planet as our host lives like an astronaut in a Mars-like habitat. We will have episodes on space robotics, commercial space tourism, asteroids, and our search for life, among many others. *When appropriate, the host will highlight NASA related programs and internships for young students that are relevant to the content we have shown.

Xploration Outer Space is a half-hour weekly E/I series produced with the intention of increasing and expanding our target audience’ interest in the field of STEM education.

Steve Rotfeld Productions will provide a written synopsis of each episode for filing with our stations’ FCC Children’s Television Report. These write-ups will be emailed to stations on a quarterly basis. Also, each episode is close-captioned throughout.

RE: FCC OBJECTIVE LETTER – “XPLORATION AWESOME PLANET”

Xploration Awesome Planet – This series is also a part of a 3-hour block of STEM based E/I programs titled... **XPLORATION STATION**.

Produced primarily for the 13-16 target audience, **Xploration Awesome Planet** will inspire and educate anyone interested in earth sciences. Our host, Philippe Cousteau, the grandson of legendary Jacques Cousteau, brings boundless energy to every location we visit. From magnificent mountains to violent volcanoes, this program takes an in-depth look at the unique and distinct features on planet Earth. We not only visit gigantic glaciers and behold their beauty but also discover **why** they formed, and **how they shaped** our landscape. Geological experts share their wisdom with Philippe, as we strive to understand places *on* the earth, *inside* the earth, and *above* the earth.

Xploration Awesome Planet is a half-hour weekly E/I series produced with the intention of increasing and expanding our target audience’ interest in the field of STEM education.

KFJX Exhibit

Children's Report

2023

- During Q3 on July 22, make-good episodes of Teen Kid's New, Dragonfly TV, Xploration Life 2.0, Xploration Second Chance Pets, Xploration Planet, and Xploration Space aired on KFJX's primary stream without on-air notification of the schedule change. These episodes have not been counted towards the total number of hours of regularly scheduled weekly Core Programming in the Digital Core Programming section of the report. Due to regularly scheduling 3.5 hours of children's programming per week, KFJX still meets the required number of hours for Q3.
 - During Q4 on November 25 during Q4, one make-good episode of Xploration Planet and one makegood episode of Xploration Space aired on KFJX's primary stream without on-air notification of the schedule change. It is not counted towards the total number of hours of regularly scheduled weekly Core Programming in the Digital Core Programming section of the report. Due to regularly scheduling 3.5 hours of children's programming per week, KFJX still exceeds the required number of hours for Q4.

WEBSITE CERTIFICATION

For 2nd Quarter, 2023

7.10.2023

This certifies that in connection with the syndicated and network children's programming broadcast on **KOAM DT 7.3 NOAM MeTV**, the station inserted no promotional or public service announcements that contained any URL's. Further, based upon the certification of the MeTV Network, the standard practices of DIC Entertainment, and review by the station, it is hereby certified that all Internet websites for which addresses were displayed during programming intended primarily for children ages 12 and under during the **2nd Quarter of 2023** were in compliance with the requirements set forth in Section 73.670 of the rules of the FCC.

There were no website addresses displayed during programming targeted towards children ages 12 and under.

ME-TV NETWORK CHILDREN'S E/I PROGRAMMING

2023

SERIES NAME	SYNOPSIS	RATINGS	TARGET AUDIENCE	E/I or N/A
SAVED BY THE BELL	<p><i>Saved By The Bell</i> is a television series targeted to teens 13-16 years of age, which explores social themes and coping strategies through the daily school life of six teen-aged friends at Bayside High who help each other make the most of growing up in a complicated world. The multi-ethnic cast members serve as role models for young teen viewers as they deal with such issues as dealing with the death of a loved one, the right to say "no," the meaning of heroism, teenage alcohol use and other issues of particular concern to young teens.</p>	TV-G	K13-16	E/I

<u>THE KE-INVENTORS</u>	SUNDAYS FROM 6-6:30AM ET/PT	<p>TEENAGE VIEWERS FOLLOW THOSE VIRTUALLY FAMOUS INVENTORS WHO BRING UP ORIGINAL PATENT DESIGNS FROM HISTORY'S LOST INVENTIONS AND BUILD THEM, TEST THEM, AND TRY TO MAKE THEM WORK. FROM A SNOW ANNIHILATOR FROM THE 1930S TO A CHINESE DRAGON ROCKET OVER 600 YEARS OLD TO A SOLAR POWERED CREMATORIUM, MATT AND JEREMY TAKE VIEWERS THROUGH THE STRANGE AND ENTERTAINING WORLD OF INVENTION. EACH EPISODE INTRODUCES YOUNG VIEWERS TO A VARIETY OF SCIENTIFIC DISCIPLINES AND CHALLENGES THEM IN CRITICAL THINKING AND PROBLEM-SOLVING SKILLS, WHILE PROVIDING VALUABLE INFORMATION TO REACH ANSWERS. EACH EPISODE IS ENGAGING, ENTERTAINING AND EDUCATIONAL.</p>	TV-G	13-16
<u>SCIENCE MAX</u>	SUNDAYS FROM 6:30-7AM ET/PT	<p><i>Science Max</i> is a fun, educational show for teen viewers that showcases a wide range of science fields through "large-scale" experiments. Whether it's exploring the science behind earthquakes or understanding the biology of animals, <i>Science Max</i> presents young viewers with answers of how science affects everyday life. <i>Walking Wild</i> is a weekly half-hour reality series showcasing various wild animals at the world famous San Diego Zoo. The series focuses on the dedicated people who look after these spectacular critters. The program also gives teen viewers a unique up-close examination of each wild animal. In one episode, viewers explore the life patterns of elephants and the key to their longevity. Another episode focuses on Galapagos turtles and how they manage to survive. <i>Walking Wild</i> is a series intended to educate and inform viewers all about life in the animal kingdom.</p>	TV-G	13-16
WALKING WILD	SUNDAYS FROM 7:00-7:30AM ET/PT	<p><i>Dragonfly TV Sports</i> features stories of children "doing" projects with real hands-on experience and demonstrates practical applications of mathematics and science, in particular, as it relates to individual sports or sporting activity. It introduces young viewers to a variety of scientific disciplines within a particular sport and challenges them in critical thinking and problem-solving skills, while providing valuable information to reach answers. Each sports-related episode is engaging, entertaining and educational in structure, allowing children to investigate science on their own.</p>	TV-G	13-16
DRAGONFLY TV SPORTS	SUNDAYS FROM 7:30-8AM ET/PT		TV-G	13-16

FAMILY STYLE	SUNDAYS FROM 8-8:30AM ET/PT	<p><i>Family Style with Chef Jeff</i> is an educational and informative half-hour, E/I series that teaches viewers how making the right choices in the kitchen can lead to life-changing experiences for the entire family. Each episode features interesting and valuable health and nutrition information as viewers also learn how to cook healthier versions of some of our favorite dishes. <i>Family Style</i> uses unique structural components to help young viewers retain and reflect on important and current health-related information. The series also features nutrition quizzes, health tips, and Chef Jeff's own positive reinforcement. The goal of the series is to help young viewers make well-informed choices about their eating habits, nutrition, and health.</p>	TV-G	13-16
NOW EAT THIS!	SUNDAYS FROM 8:30-9AM ET/PT	<p><i>Now Eat This!</i> features celebrity chef, Rocco DiSpirito, as he challenges people to make over their diets and adopt a healthier lifestyle. The secret? Eat what you love, but say goodbye to processed ingredients, bad fats, and empty calories. And most importantly, learn to cook - Rocco style! In each episode Rocco arms people with the right recipes, ingredients, and cooking skills to maximize the value and flavor of their favorite meals.</p>	TV-G	13-16
