Part 1 Introduction

Que Buena Tulsa 1530 AM and 104.9 FM is a local Spanish Radio Station that offers Regional Mexican Music. The radio station Que Buena Tulsa has a license in the city of Tulsa, OK, however since 2016 we have simulcast in Tulsa and Wagoner County. We have a new FM radio station to share our content in other areas. The radio station provides people with topics of general interest, community service, and anything that can be related to the Hispanic people that live in this area.

We provide real time content and support several non-profit organizations by donating our airtime for their events that support the Hispanic community.
