The movie was reviewed for family friendliness, evaluated on language, spiritual elements, violence, perceived negative content, drug and alcohol use, and the movie's positive elements. This movie is packed symbolism and some surprising spiritually. Visual references to the church and Jesus come frequently. Although, mystical nods to non Christian fairytales and mythology turn up too. This film is a reflection of imperfection, sacrifice, and what it means to be human. However, there's also violence, death, and drunkenness. Most symbolic meanings will likely fly over younger viewers heads, and some may be too much for sensitive viewers to handle. Because of all of this, it was rated a 3 out of 5 for family friendliness.
