Education

Environment

Quarterly Issues and Program List

Programs

Issue	Time	Date	Duration	Title of Program	Narrative Description
Community	5:00pm	10/01/2018	1:30	WJTV 5pm News	The Brookhaven community says they're leaning on each other after a shooting left two officers fatally wounded. Community members say even though they're feeling pain, they're also feeling the love from around the state.
Business & Industry	5:00pm	10/13/2018	1:40	WJTV 5pm News	Frontier Airlines has made it to Jackson and bringing with it low prices. The first flight took off Saturday night. With the snip of a ribbon the celebration began, and people at the Jackson-Medgar Wiley Evers International Airport cheered.
Education	5:00pm	10/22/2018	2:30	WJTV 5pm News	A feeling of relief can be sensed in the halls of Lester Elementary School. In just one year, the school has improved from an "F" rating to a "B" rating, by the Mississippi Department of Education. WJTV's Candance Coleman reports on this week's Cool Schools.
Environment	5:00pm	10/24/2018	2:30	WJTV 5pm News	The Statewide Tornado Drill happened in several counties throughout Mississippi Wednesday. As WJTV 12's Shay O'Connor reports, she visited Florence Elementary in Rankin County and talked to students who say it felt good to know they were safe.
Consumer Issues	5:00pm	10/29/2018	1:50	WJTV 5pm News	Insurance Commissioner Mike Chaney is warning some Medicare Advantage users about a change that could impact their

Quarterly Issues and Program List

					insurance coverage. WJTV's Gerald Harris reports.
Environment	5:00pm	11/13/2018	1:00	WJTV 5pm News	Shelters are opening around the metro as frigid temps move into the area. Temperatures will reach just above the freezing mark Tuesday night and they're expected to be even colder Wednesday night, which is why shelters are opening earlier than usual which can be lifesaving for some
Consumer Issues	5:00pm	11/20/2018	2:30	WJTV 5pm News	In just a period of a few weeks, endless lines of turkey and meats are flying off the shelves. Before you break out the Thanksgiving cookbook you may want to be sure you're prepared to cook a whole turkey properly and know the proper ways to prepare handling raw poultry to avoid food poisoning. Thanksgiving can be a great time with all your family together to eat, but a few poor decisions when handling the main course meal in the kitchen can lead to serious medical issues.
Education	5:00pm	11/20/2018	2:20	WJTV 5pm News	In a north Madison County high school teacher's class, there's potential to turn a lesson plan into a business plan. Walk into Mrs. Gowdy's Academy of Multimedia class and you see students intensely focused on their favorite computer programs like Photoshop, Illustrator, animation, video production, movie production, and more. WJTV's Candance Coleman reports on this week's Cool Schools.

Quarterly Issues and Program List

Business & Industry	5:00pm	11/30/2018	2:00	WJTV 5pm News	Business owners are trying to keep up to date on the outage and how long it will take to get the repairs done. The problem is so widespread thousands are affected, especially homeowners and business owners in the city. Many restaurants saw major changes in their normal day -to-day routine. WJTV 12's Alex Love also spoke with other restaurant owners in the area who said this is a recurring problem happening as much as four times a year and they hope the issue is permanently addressed soon.
Community	5:00pm	11/30/2018	5:00	WJTV 5pm News	Major water problems in Jackson -- a city-wide boil water notice. It's linked to the city's long-time infrastructure problems. The epicenter is the intersection of Laurel street and Myrtle street in the Belhaven neighborhood. There are two water treatment plants near the break and the 36-inch line comes from the main plant. We have team coverage starting with WJTV 12's Terrance Friday.
Consumer Issues	10:00pm	12/04/2018	1:00	WJTV 10pm News	The Mississippi State Department of Health says lab result confirm the first case of influenza for the 2018-2019 flu season. The person infected is reported to be an adult. MSDH State Health Officer Dr. Thomas Dobbs said that last year, during flu season, “an estimated 80,000 adults nationwide died from the flu, with 183 influenza deaths in children – three of which were in Mississippi.”
Business &	10:00pm	12/18/2018	1:20	WJTV 10pm	According to the Nuclear Regulatory

Quarterly Issues and Program List

Industry				News	Commission, the nuclear power plant in Port Gibson will be inspected. The plant operated by Entergy Operations was operating at full power when operators noticed an unexpected increase in reactor power and decided to shut down as a precautionary measure. WJTV's Lanay Lewis explains.
Community	10:00pm	12/22/2018	2:00	WJTV 10pm News	The City of Jackson Police Department held its 57th annual recruit class graduation ceremony today. The new class brings the Department closer to its goal of 418 police officers. Friday morning, 29 men and women became officers after enduring 16 long weeks of intense training and preparation. Shay O'Conner visit the event.
Environment	10:00pm	12/27/2018	2:40	WJTV 10pm News	Drivers across the Jackson metro were impacted today by the heavy rains, but some more than others due to roads flooding, leaving some cars stranded. But during all this harsh weather some residents found the courage to work together and pull their fellow neighbors to safety. WJTV's Alex Love reports.
Education	5:00pm	12/31/2018	1:30	WJTV 5pm News	One of life's biggest lessons is money management. But you can't grasp the whole thing in a classroom. Columbia High School is making sure students still have an opportunity to learn it with an in-school credit union. Candace Coleman reports on this week Cool Schools.
