ACKNOWLEDGMENT OF POLITICAL AD POLICY

This will acknowledge receipt of "Political Ad Policy" of Cox Media.

I agree that all purchases of advertising time on the Cox Media ("System") which I make by or on behalf of legally-qualified political candidates are subject to the Political Ad Policy.

I acknowledge that I have been informed to my satisfaction concerning the single class of time which is available to advertisers, including without limitation; the chances of preemption; the availability of discount packages and rotations, including the System's willingness to negotiate combinations of time suitable to the needs of particular candidates; the System's lowest unit charge and related privileges for advertising time; and the System policy with respect to make-goods.

I recognize that the Federal Communications Commission ("FCC") has asserted its exclusive jurisdiction under the Communications Act of 1934, as amended (the "Act"), with respect to all disputes concerning purchases of advertising time by or on behalf of legally-qualified political candidates, specifically including all disputes concerning charges for candidates' "uses" of System's facilities. I acknowledge that all such disputes will therefore be governed exclusively by the Act, and the rules and policies of the FCC, and must be resolved exclusively before the FCC, subject to such judicial review as is provided for by the Act. To ensure that material necessary to resolution of such disputes is maintained, any such complaint should be filed with the FCC promptly.

I certify that all advertising purchased by me for cablecast on the System will include my recognizable voice or image. I agree to indemnify and hold the System harmless from and against any and all damages and liability, including reasonable attorneys' fees, which may be assessed against the System as the result of its cablecast of advertising purchased by me which does not involve a "use".

If I am an agent acting on a candidate's behalf, I certify that I have made full disclosure to the candidate of the information provided to me by the System concerning its political advertising policies, or, if not, that I have been specifically authorized by the candidate to purchase advertising time on the System on his or her behalf without the need to make such full disclosure. I further represent that all advertising which I purchase on the candidate's behalf will include the candidate's recognizable voice or image. Unless I am acting on behalf of a candidate for federal elective office, I further represent that the candidate agrees to indemnify and hold the System harmless from and against any and all damages and liability, including reasonable attorneys' fees, which may be assessed against the System as the result of its cablecast of advertising not involving a "use" by the candidate which I purchase on the candidate's behalf. I further represent that I am authorized by all candidates on whose behalf I purchase time to agree to the terms and conditions set forth herein.
