

Issues and Answers 2013 Q2

Star 102.1 FM continues to support many long time local events in Homestead including the Monthly Main Street event that takes place in the historic district on Krome Avenue. Also the local Parks and Recreation for their 4th year of their "Race to the 4th" event; a massive and free event for families. Star FM also continues to support local Museums and their events. Transportation was also a focus this month and PSA's were run to bring the community's awareness to two major public forums on the future of transportation in the area.
