## Script

I'm Iron Mike Lesperance, your Nunda Township Highway Commissioner.

For the last 8 years, I've not only reduced taxes by 5 percent for Nunda Township, but also, eliminated \$700,000 of debt too.

Right now, we are DEBT FREE and we'll continue that trend while increasing services to township residents. Including, paving and ditching three times MORE miles of road per year.

I'm asking for your vote February 23rd. To find out how Nunda Township works for you at Vote Iron Mike dot com or like us on Facebook too.
