

WHOI(TV) Amendment to First Quarter 2014 Commercial Limits Certification

The station hereby amends its Commercial Limits Certification for First Quarter 2014 to clarify that (1) all programs designed for children 12 years of age and younger (rather than 16 years of age and younger) were formatted as a matter of standard practice to comply with the commercial time limits of Section 73.670 of the FCC's rules, and (2) that the programs listed below, which were identified in the station's certification filed in 2014 as designed for children 12 years of age and younger, were in fact designed for children between 13-16 years of age as the station correctly reported in its Children's Television Programming Report for the quarter:

Jack Hanna's Wild Countdown
Ocean Mysteries with Jeff Corwin
Born to Explore
Sea Rescue
Wildlife Docs
Expedition Wild
