

**Children's Programming Certification
2022, Third Quarter, KQSL**

This is to certify that the children's programming and series distributed to KQSL during the above referenced calendar quarter we originally produced and broadcast primarily for an audience of children 12 years old and under and did not include any commercial spots that contained references to, characters or actors from, or that offered products relating to, the underlying program or series.

As a standard practice, each program is formatted by its producer(s) to allow no more than 10.5 minutes of commercial time per hour on weekends. Also, as a standard practice, except as noted, KQSL practices allow no more than 12 minutes of total commercial time per hour on weekdays. Accordingly, there were no occasions during this quarter on which commercial limitations were exceeded.

I hereby declare that to the best of my knowledge; the foregoing is true and accurate.
