

PROGRAMS & ISSUES REPORT FOR KCDO-TV FOR THE PERIOD OF 1/1/16-3/31/16, Q1 2016

KCDO-TV airs The Aaron Harber Show (TAHS) Sunday's 11am-1130pm. In this program host Aaron Harber interviews local and national guests whose careers intersect a wide variety of issues affecting Colorado and the nation. Every Sunday from 1130am-12pm KCDO-TV airs Colorado Business News (TAHS-CBN), once again hosted by Aaron Harber. This is the only weekly business news program airing in the Denver DMA and all issues affecting business in Colorado are explored in detail, from education to politics to community and business leaders.

TAHS

January

03 Health Care & Women: Lynne & Bimestefer Part 1

In Part 1 of this special two-part series on healthcare in Colorado, Aaron is joined by Kim Bimestefer, President of Cigna Mountain States, and Donna Lynne, Group President, Kaiser Permanente (Colorado, Northwest and Hawaii), and Executive Vice President, Kaiser Foundation Hospitals and Health Plan, Inc. These healthcare industry experts talk about the ways their companies seek to serve Coloradans' healthcare and medical needs. They also discuss the work they are doing to ensure their customers are receiving the best care.

10 Homelessness Part 1

In Part 1 of this special two-part series on homelessness in Colorado our expert panel discusses the issues that homeless people in Colorado face as well as talk about what we can do to make sure everyone has a home. The panelists are John Parvensky, President, Colorado Coalition for the Homeless; Regina Huerter, Executive Director Denver Crime Prevention & Control Commission; Marcus Hyde, Organizer, Denver Homeless Outloud; and Laura Rossbert, Program Director, The Delores Project.

17 Secretary of State, Wayne Williams Part 1

Colorado Secretary of State Wayne Williams joins Aaron to talk about the changes he has made since taking office and what his plans are for making Colorado a safer place.

24 Economic Development: Clark, Doyle, Hinman Part 1

In part one of this two part series on Economic Development we are joined by Tom Clark, the CEO of the Metro Denver Economic Development Corporation; Jacque Hinman, the CEO and Chairman of CH2M; and Jim Doyle, the President of Enterprise Sales Group at Panasonic. They discuss the importance of improving education in the state and the positive impacts that will have on business and the economy.

31 Jane Chu, National Endowment for the Arts

Jane Chu, Chairman of the National Endowment for the Arts, sits down with Aaron to talk about the endowment and how they encourage people to participate and create in the arts. They also discuss art education and the problems associated with cutting funding and class time dedicated to the arts.

**TAHS: CBN**

**January**

03 Health Care & Women: Lynne & Bimestefer Part 2

In Part 2 of this special two-part series on healthcare in Colorado, Aaron is joined by Kim Bimestefer, President of Cigna Mountain States, and Donna Lynne, Group President, Kaiser Permanente (Colorado, Northwest and Hawaii), and Executive Vice President, Kaiser Foundation Hospitals and Health Plan, Inc. They discuss the evolving insurance and healthcare industry as well as the leadership challenges faced and successfully addressed by women in these industries. They also discuss the Affordable Care Act and its implications for their customers in Colorado and throughout their regions.

10 Homelessness Part 2

In Part 2 of this special two-part series on homelessness in Colorado our expert panel continues their discussion about the issues that homeless people in Colorado face as well as talk about what we can do to make sure everyone has a home. The panelists are John Parvensky, President, Colorado Coalition for the Homeless; Regina Huerter, Executive Director Denver Crime Prevention & Control Commission; Marcus Hyde, Organizer, Denver Homeless Outloud; and Laura Rossbert, Program Director, The Delores Project.

17 Secretary of State, Wayne Williams Part 2

Colorado Secretary of State Wayne Williams sits down with Aaron to talk about the importance of voting and maintaining a strong sense of integrity as he oversees the states elections.

24 Economic Development: Clark, Doyle, Hinman Part 2

In part two of this two part series on Economic Development we are joined by Tom Clark, the CEO of the Metro Denver Economic Development Corporation; Jacque Hinman, the CEO and Chairman of CH2M; and Jim Doyle, the President of Enterprise Sales Group at Panasonic. They share their ideas about what has made Colorado a great state to run a business in, as well as offering their critiques on what we can do better in the future.

31 Hikmet Ersek, President and CEO of Western Union

Hikmet Ersek, The Western Union Company CEO, discusses the ways that his company has changed with the advancement of technology. He also talks about the importance of great leadership skills and ways those skills can be developed.

**TAHS**  
**February**

07 Real Estate: Armbrister, Watson and Lee Part 1

In part one of this two part series on Real Estate in Colorado, Molly Armbrister the Real Estate Reporter for the Denver Business Journal, Tom Lee the Executive Managing Director for Newmark Grubb Knight Frank and Brian Watson the Founder & CEO of Northstar Commercial Partners join Aaron to talk about the exponential growth of Denver and how that growth is spreading into the suburbs as well.

14 PeaceJam: Dawn Engle and Ivan Suvanjieff Part 1

In part one of this two-part series Dawn Engle and her husband Ivan Suvanjieff, co-founders of PeaceJam, join Aaron to talk about their organization that works to promote the education and spread of world-wide peace.

21 TSA Administrator John Pistole

John Pistole, the former administrator of the Transportation Security Administration, joins Aaron to talk about the work he did at the head of that organization and what improvements can still be made to improve the safety and security of our travel.

28 Craft Brewery Show Part 1

In Part 1 of this special two part series, Steve Kurkowski the Marketing & Communications Director at the Colorado Brewers Guild, Laura Long, Brew Lobbyist & former Brewer, Todd Thibault the Culture Czar at Breckenridge Brewery, and Bart Watson the Chief Economist at the Brewers Association sit down with Aaron to explain the growth of the Craft Brewing industry in Colorado and its impacts on our economy as a whole.

**TAHS: CBN**  
**February**

07 Real Estate: Armbrister, Watson and Lee Part 2

In part two of this two part series on Real Estate in Colorado Molly Armbrister the Real Estate Reporter for the Denver Business Journal, Tom Lee the Executive Managing Director for Newmark Grubb Knight Frank and Brian Watson the Founder & CEO of Northstar Commercial Partners sit down with Aaron to discuss the fundamental reasons that Colorado's real estate market is growing so rapidly.

14 PeaceJam: Dawn Engle and Ivan Suvanjieff Part 2

In part two of this two-part series Dawn Engle and her husband Ivan Suvanjieff, co-founders of PeaceJam, join Aaron to talk about the documentaries and other projects they have produced and are working on to promote a trend of peace and love in the world.

21 Labor/Latino Women's Rights icon Dolores Huerta

Dolores Huerta, prolific civil rights activist and the co-founder of United Farm Workers and National Farm Workers, joins Aaron on the show to discuss her work as a civil rights and labor activist. She describes how she dealt with some harrowing experiences as a young activist. She also talks about how this country needs to educate her youth so that our next generation understands and appreciates how we got the humane work environment in the U.S. that we all experience and benefit from today.

28 Craft Brewery Show Part 2

In Part 2 of this special two part series, Steve Kurkowski the Marketing & Communications Director at the Colorado Brewers Guild, Laura Long, Brew Lobbyist & former Brewer, Todd Thibault the Culture Czar at Breckenridge Brewery, and Bart Watson the Chief Economist at the Brewers Association join Aaron to discuss the small business aspect of the craft brewing industry. They also talk about the legislation that would be beneficial to their industry.

**TAHS**  
**March**

06 Vali Nasr, Dean of the Johns Hopkins Advanced School of International Studies

Vali Nasr joins Aaron to talk about the American higher education system and how it needs to be improved. They also discuss the need for reform in American foreign policy in conflict, especially in the Middle East.

13 Garth Graham, President of the AETNA Foundation

Garth Graham, President of the Aetna Foundation, talks with Aaron about the future of American healthcare. They discuss the studies that are being conducted to find cures for diseases as well as the work that he did at the White House and the composition of the Affordable Care Act.

20 Jason Bordoff, Director of the Center on Global Economy at Columbia University

Jason Bordoff discusses impacts of Climate Change already being felt, the need for immediate action, and how the United States and other governmental and organizational policies are taking us into the future.

27 David Hobbs, Director of Research for the King Abdullah Petroleum Studies and Research Center, (KAPSARC)

David Hobbs, Head of Research at the King Abdullah Petroleum Studies and Research Center, joins Aaron to talk about world poverty, energy consumption, and energy availability. They also discuss the success of the Paris Agreement and his hopes for continued progress.

**TAHS: CBN**  
**March**

06 Nariman Behraves, Chief Economist, IHS

Nariman Behraves. discusses include the U.S.'s continuing economic recovery, the culture in Washington D.C., the tax code, and the effectiveness of energy subsidies.

13 Sam Thomas, President, Chairman and CEO of Chart Industries

Sam Thomas talks with Aaron about cryogenics and the different applications that Chart Industries has for the technology both in the biotech and energy industry.

20 Christof Rühl, Global Head of Research at the Abu Dhabi Investment Authority ADIA

Christof Rühl talks about his work in the Middle East with ADIA and discusses the world energy economy. Rühl talks about the players that he believes are going to make it through the downturn and discusses his views on the Paris Agreement.

27 Charles Ebinger, Senior Fellow at the Brookings Institution

Charles Ebinger discusses his take on the Paris Agreement, the forecasts for the price of oil and the future of coal exports.
