**The locally produced The Aaron Harber Show air Sundays at 1130am here are the people and topics covered:**

**TAHS Quarter 4 Show Descriptions and Broadcast Dates: 2019**

**October 6th**

Valerie Jarrett, Obama Senior Advisor & Presidential Assistant for Public Engagement/Intergovernmental Affairs, Part 1:

In Part One of this two-part series, Valerie Jarrett, Former Senior Advisor to Barack Obama, regals tales of her youth addressing questions about why her father went to work overseas, and subsequently how she was bullied once she came to America as a young girl. Her call to action for all Americans is that, you don't have to be black to want to make sure that every black American has a fair shot. Change requires decades and decades of people with goodwill working hard

### **October 13th**

Valerie Jarrett, Obama Senior Advisor & Presidential Assistant for Public Engagement/Intergovernmental Affairs #2

In Part Two of this two-part series, Valerie Jarrett, Former Senior Advisor to Barack Obama, remembers poignant moments throughout her career both before and during her time in the White House. She details the reasons that her job at city hall prepared her for working in the White House. Finally she has a couple comments about the current administration including mentioning that usually Presidents have respect for the Presidents who have come before them, but that was not the case for the Obama Trump transition

### **October 20th**

Proposition CC Eliminating Tabor Refunds

Proponents and opponents of 2019's Proposition CC debate the merits of the proposal. Panel includes:

Amie Baca-Oehlert, President of the Colorado Education Association - Proponent

George Brauchler, Colorado's 18th District Attorney - Opponent

Michael Fields, Executive Director of Colorado Rising Action - Opponent

Scott Wasserman, President of the Bell Policy Center - Proponent

### **October 27th**

Doug Holtz Eakin, President of the American Action Forum gets into details on American economic policy and some of the bigger changes that we need to make in the future to keep our country strong.

### **November 3rd**

**David Rubenstein**, Co-Founder and Co-Executive Chairman of The Carlyle Group, is not only a finance and investment guru but also a leading philanthropist, as well as a caretaker of American History and iconography. He also notes that the number of U.S. History majors is at a low right now and, as a result, people don't know as much as they should about history — especially American history and civics. Rubenstein cites shocking statistics about natural-born American citizens' illiteracy regarding our own country's history. He reveals that native-born American citizens consistently failed the U.S. naturalization exam when compared to the immigrants who take the test. He notes that 75% (3 out of every 4) American citizens cannot even name the three branches of government.

### **November 10th**

Co-Founder, Survivors Network of those Abused by Priests & End Clergy Abuse Part 1  
Peter Isley is a co-founder of SNAP [Survivors Network of those Abused by Priests) and Ending Clergy Abuse. He is a survivor of abuse in the Catholic Church and now helps others through these organizations he has founded as well as through his work as a psychotherapist.

### **November 17**

Co-Founder, Survivors Network of those Abused by Priests & End Clergy Abuse Part 2  
Peter Isley is a co-founder of SNAP [Survivors Network of those Abused by Priests) and Ending Clergy Abuse. He is a survivor of abuse in the Catholic Church and now helps others through these organizations he has founded as well as through his work as a psychotherapist.

### **November 24th**

Former US Attorney General Eric Holder joins aaron to talk about his work ending Gerrymandering around the US. FAir and equal elections are a right for us citizens.

### **December 1st**

### **December 15th**

Daniela Fernandez, Founder & CEO, Sustainable Ocean Alliance

Daniela Fernandez, the founder, and CEO of the Sustainable Ocean Alliance is innovating new solutions to reduce human impact on the environment. As a student at Georgetown University her passion for real, timely change in climate conservation – specifically the health and cleanliness of the world’s oceans – was ignited and she created the Sustainable Ocean Alliance. The organization has matured over the years in both size, financial status, and impact. As a member of the exclusive Forbes 30 Under 30 list, Daniela describes the late nights and hard work it took to make her passion project a success. Writing emails, making contacts, and developing new ways to support inventors working to make the ocean plastic-free are all a part of her success.

### **December 22nd**

Former Mexican Diplomat & Ambassador to China, Jorge Guajardo talks about the US and the way that it is perceived around the world in light of Donald Trump’s Presidency.

### **December 29th**

Anthony Leiserwitz, Senior Research Scientist & Director, Yale Program on Climate Change Communication talks about the critical need to address climate change communications and not just the actual environmental issues itself. The way that we talk about this problem directly affects the way that we will create solutions.
