CORONAVIRUS: During 1st Quarter, 2020, the Coronavirus Pandemic emerged as a #1 most important concern for all of our constituencies. As a result, WNWV is airing regular hourly updates featuring the latest facts and statistics as we receive them. We are focusing on announcements and decisions coming from local and state authorities, rather than the national and international news our listeners can get anywhere. We are also focusing on best practices and dispelling some of the myths that have sprung up around this virus.

During the period WNWV-FM programs focused on the following:

1. Health & Wellmes (including COVID19)
2. Public Safety
3. Education
4. Community Events
5. Diversity (Black History Month)
