

**PRE RENEWAL ANNOUNCEMENT**

On 1 (date of the last renewal grant),  
2 (station's call letters) was granted a license by the Federal  
Communications Commission to serve the public interest as a public trustee until  
3 (license expiration date). Our license will expire  
on 4 (date). We must file an application for license renewal  
with the FCC on 5 (date, four months prior to the expiration  
date). When filed, a copy of this application will be available for inspection during  
regular business hours. It contains information concerning the station's  
performance over the last 6 (period of time covered by  
the application, e.g. 8 years).

Individuals who wish to advise the FCC of facts relating to our renewal  
application, and to whether this station has operated in the public interest, should  
file comments and petitions with the FCC by 7 (date, first day  
of the full calendar month prior to the month of license expiration). Further  
information concerning the FCC's broadcast license renewal process is available at  
8 (address of the location of the station's public  
inspection file) or may be obtained from the FCC, Washington, D.C. 20554,  
www.fcc.gov.
