RE: Must carry election for WPCB-TV in the Pittsburgh DMA, for the 2018 - 2020 election period.

Pursuant to Title 47, Section 76.64 of the Rules and Regulations of the FCC, Cornerstone Television, licensee of WPCB-TV, hereby elects must carry for your cable systems located in the Pittsburgh DMA. Pursuant to Section 76.64 (f)(3) if this letter is deficient in a way that would make it invalid, WPCB is still considered must carry by default in all communities in the DMA.

WPCB TV40.1 is broadcast in HD. Pursuant to Title 47, Section 76.62 (c), WPCB expects carriage in HD if other broadcasters are carried in HD.

In the case of systems where WPCB is currently carried we request the existing channel position. On systems that don't currently carry WPCB we request any channel in the broadcast tier.

If our records indicate that you may need retransmission consent for some of your systems a blanket retransmission consent letter is enclosed, but a more specific letter can be sent upon request.

Permission is also granted free of charge to carry The Pittsburgh Faith and Family Channel from our digital sub-channel 40.2. If not included, a formal retransmission consent letter can be sent on request. WPCB is licensed to the city of Greensburg in the Pittsburgh DMA on virtual channel 40 (RF channel 50).

Thank you, we appreciate being on your systems,

Steve Johnson
VP of Operations.

RE: Must carry election for WPCB in the Pittsburgh DMA, for the 2018 - 2020 election period.

Pursuant to Title 47, Section 76.64 of the Rules and Regulations of the FCC, Cornerstone Television, licensee of WPCB-TV, hereby elects must carry for your cable systems located in the Pittsburgh DMA. Pursuant to Section 76.64 (f)(3) if this letter is deficient in a way, that would make it invalid, WPCB is still considered must carry by default in all communities in the DMA.

It is our understanding that WPCB is not carried in Kingwood, WV, however the specific 76.64 election and the 76.64(f)(3) default status both include being carried on the Kingwood system in the same manner as the other Pittsburgh broadcasters.

WPCB TV40.1 is broadcast in HD. Pursuant to Title 47, Section 76.62 (c), WPCB expects carriage in HD if other broadcasters are carried in HD.

In the case of systems where WPCB is currently carried we request the existing channel position. On systems that don't currently carry WPCB we request any channels in the broadcast tiers.

If our records indicate that you may need retransmission consent for some of your systems a blanket retransmission consent letter is enclosed, but a more specific letter can be sent upon request.

WPCB is licensed to the city of Greensburg in the Pittsburgh DMA on virtual channel 40 (RF channel 50).

Permission is also granted free of charge to carry The Pittsburgh Faith and Family Channel from our digital sub-channel 40.2. If not included, a formal retransmission consent letter can be sent on request.

WPCB TV40.1 is broadcast in HD. Pursuant to Title 47, Section 76.62 (c), WPCB expects carriage in HD if other broadcasters are carried in HD.

In the case of systems where WPCB is currently carried we request the existing channel position. On systems that don't currently carry WPCB we request any channels in the broadcast tiers.

If our records indicate that you may need retransmission consent for some of your systems a blanket retransmission consent letter is enclosed, but a more specific letter can be sent upon request.

Permission is also granted free of charge to carry The Pittsburgh Faith and Family Channel from our digital sub-channel 40.2. If not included, a formal retransmission consent letter can be sent on request.

WPCB is licensed to the city of Greensburg in the Pittsburgh DMA on virtual channel 40 (RF channel 50).

Thank you, we appreciate being on your systems,
