

## Programs & Issues

### 2016 3rd Quarter

Issue: Local, State and National News  
 Program Name: News with Vivian Nitecki  
 Date: July, August & September  
 Length: 90 Second Program  
 Type: Local Production

Description: World, national, state and local news given in brief stories every hour in the morning drive times. Information is gathered from National and other local sources.

#### Sample news stories covered:

7/1/16 – And rough waters with dangerous swimming conditions are predicted today along Lake Michigan. Strong winds out of the north-northwest will build the waves up to six feet high throughout the day today. The hazardous areas of swimming will stretch from St. Joseph to Manistee through tonight.

7/8/16 – A Detroit-area school district has won a temporary restraining order that keeps a state-appointed chief executive from running four of its seven schools. A Macomb County Circuit Court Judge approved the order Thursday and scheduled a July 18 hearing on the matter. State School Reform officials had appointed Gary Jensen to oversee academics at four low-performing public schools in Eastpointe in the East Detroit Schools.

7/15/16 – And \$4 million dollars in grants from the Charles Stewart Mott Foundation will help Flint-area kids receive year-round access to educational opportunities. The funding supports academic, enrichment and youth employment programs this summer and will help pay for local afterschool programs in the coming school year. Each program will also help connect families with needed services during Flint's water crisis.

7/22/16 – And General Motors is recalling hundreds of thousands of older Chevy Impalas because the air bags might not inflate in a crash. The recall covers Impalas from 2009 and 2010 that were made before Feb. 10, 2010. There's no schedule yet for when repairs will be made.

7/29/16 – An unnamed group has committed more than 70-million dollars to the [city of Kalamazoo](#) to fix its budget problem. The anonymous group has committed the money over a three year period that will allow the city to cut property taxes by more than 30-percent. The city will use the money to create the Foundation for Excellence and officials say it could provide a guaranteed revenue stream for generations.

8/5/16 – And a ceremony was held at the new home of the Detroit Red Wings Thursday as the final piece of structural steel for the roof of Little Caesars Arena was put in place. The tradition last piece has the signatures of the project's ironworkers. The arena is scheduled to open in 2017.

8/12/16 – And firefighters are camping on an uninhabited island in northern Lake Michigan as they continue work to contain a wildfire. Lightning sparked a fire in late June on Poverty Island just off Michigan's Upper Peninsula. The wildfire has consumed about 60 acres and is considered to be 60 percent contained.

8/19/16 – The latest phase of the Fast Start program kicks off today in Flint. Mayor Karen Weaver says as part of the program, 200-250 water service lines will be replaced. The project has already replaced dozens of lines and is being paid for with \$2 million dollars from the state.

8/26/16 – As school systems across Michigan are getting ready to kick off the new school year, school officials are looking for substitute teachers. They say there's a shortage in substitutes statewide because the responsibility is high while the pay is low. The Michigan Education Association says shortages don't just affect students, they also affect teachers forced to cover other classes during their own planning and prep times.

9/2/16 – This year has been a dangerous one on Lake Michigan and the Great Lakes overall. Including two teenagers who lost their lives near Holland this week, there have been at least 34 deaths on Lake Michigan, so far this year. For all of the Great Lakes, 71 lives have been lost in 2016.

9/9/16 – Four more Detroit school principals have been sent to prison for taking cash and gifts from a contractor. Two were sentenced to a year in prison, one was sentenced to nine months, and another got six months. The government says the scheme cost the school district nearly \$3 million dollars.

9/16/16 – Governor Rick Snyder has ordered that flags be lowered in the state Capitol complex today for third-term Representative Peter Pettalia. He passed away Monday when his motorcycle collided with a pickup truck. A memorial service is scheduled for this afternoon at the Presque Isle Lighthouse.

9/23/16 – And a Michigan State Police trooper from the West Branch Post was given the Bravery Award and Lifesaving Award. Trooper Robert Lee was honored for rescuing and reviving a woman who had passed out in the middle of her burning home in January. The woman passed away five days later, but the family was grateful the rescue gave them time to say goodbye.

9/30/16 – And the final regular season home game for the Tigers at Comerica Park was postponed because of rain on Thursday. The game against Cleveland will be made up on Monday only if it has implications for the postseason. Several players arrived late to the stadium because of road closures and flooding, but ultimately the field was too wet to play on.
