7/1/2018 to 9/30/2018

JULY 2018

7/1/2018

Community Hour 7/4/2018 20 Minutes: Tamiesha Powell – Dunmore Owner of One Carbon Copy. An inspirational lifestyle brand, transforming God’s Word onto clothing, for infants , children and home goods such as blankets etc. She was inspired to do this eight years ago while searching for a gift for a baby shower for a friend. She found nothing that was appropriate , however she was inspired to create this gift. The name One Carbon Copy was inspired by scripture taken from Genesis Chapter 1 verse 27”Making Man in His Image”
The Items are inscribed with personalized prayer or scripture. This she says will provide the child with a sense of belonging to God who knew him or her in the womb, or as conversation pieces in the home between the child and the parents. She also relies on social media to promote the business. She expects to expand into major outlets in the future. **Small Business**

Community Hour 7/4/2018 25 Minutes: Fennel Merville, CEO and Director of The Center for Immigrant Development (C.I.D) which was created in 2014 and operates out of the Bridgeport Public Library on Broad St. This is a not for profit organization which was created to provide direct immigrant services for free. They are accredited by the Department of Justice and receive frequent updates on changes in policy. They function as a buffer between immigration services that prey on the vulnerable and fearful who usually have nowhere to turn to for help. They provide training in English as a second Language and are a referral service in networking with other organizations providing translation services. Although they are located in Connecticut, they also assist immigrants in other states. **Immigration**

AUGUST 2018

7/29/2018

The Life Talk Show 7/30/2018 hosted by Randye Kaye with co –hosts Nicky Tomboulides and Diana Hall. Mondays 6pm -7pm 55 Minutes. The topic discussed on the program was “ Re-Inventing Our Lives”

They discussed recalculating and using what is already available to you to Re- Invent aspects of your lives. The analogies of recalculating numbers for results and recalculating the GPS to re direct your traveling route to a specific destination was emphasized. Other aspects of various transitions in life as a result of recalculating career plans or lifestyle interests could be helpful. The significance of dreams in the equation as well as setting goals and also being clear about the difference between a dream and a goal. It was said that a Goal has a pathway to its achievement where as a dream will always be there as a means of escape. They stated that it is good to assess your strengths at what you have done so far. A got it done list can help to propel you forward. It is Important to stay away from naysayers. The importance of mentors was discussed. Take responsibility for your actions. In summary they concluded the following, change begins with awareness, “No one can make you change, no one can stop you from changing , no one knows how you must change not even you, not until you start,” a quote from David Viska. Practice self compassion while going through your transformation everyday, then you can make a difference in the world. **Health**

8/5/2018
